Mueller,2012-09-14 Discover new pathways to finding more love more joy and more acceptance with your partner spouse soul mate or lover Whether you are passionately in love looking for that new adventure or struggling to stay connected 101 Lessons In Love A Couples Guide To Choosing Passion will help you learn how to sculpt each other with love how to recognize the power of your attention and how to keep your love evolving as one Each chapter contains a question to spark communication between you and your partner about avenues into each others lives that have yet to be explored The hope is that this exploration will lead you to a deeper understanding of both yourself and your partner that enhances your happiness and love Then you and your partner are challenged to take the lesson and make it your own by taking specific actions to create a stronger more intimate and passionate relationship It is never too late to capture the fun and excitement The time is now Begin your journey to passion and love **"We Love Mr King"** Anusorn Unno,2018-10-04 This book is an ethnography of the Malay Muslims of Guba a

pseudonymous village in Thailand's Deep South in the wake of the unrest that was primarily reinvigorated in 2004. It argues that the unrest is the effect of the way in which different forms of sovereignty converge around the residents of this region and the residents at the same time have cultivated themselves and obtained and enacted agency through the sovereigns. Rather than asking why the violence is increasing and who is behind it like most scholarly works on the topic, it examines how different forms of sovereignty ranging from the Thai state and the monarchy to Islamic religious movements, the insurgents and local strongmen impose subjectivities on the residents, how they have converged in so doing, and what tensions have followed and how the residents have dealt with these tensions and cultivated themselves and obtained and enacted agency through the sovereigns. The phrase 'We Love Mr King' or 'rao rak nay luang' inscribed on the decorated footed tray is one example of how the residents crafted themselves as royal subjects and enacted agency through the sovereign monarch. This book represents one of the very few locally focussed anthropological studies to be undertaken in Thailand's Muslim Malay border region since the upsurge in insurgent-driven violence since 2004. Just as noteworthy, the researcher is a Thai Buddhist who succeeded in establishing rapport with his Malay Muslim informants. Unlike most journalistic and academic research in this field based on hit and run interviews, Dr Anusorn's work is founded on sustained in situ observation and participation with the local residents of the hamlet of Guba in Yala Province. Exploring a range of themes including local historical memory and place identification, Islamic practices, cultural rituals, complex local rivalries and violence, and interactions between villagers and military state officials, the book projects Anusorn skilfully highlights the co-existence and tensions between different subjectivities in the context of the competing sovereignties that inform the world of the villagers of Guba. Marc Askew, author of *Performing Political Identity in Southern Thailand and Conspiracy Politics and a Disorderly Border* **Love Johnny**

Carson Mark Malkoff, 2025-10-21. A wildly entertaining book by one of the world's most obsessed and informed fans of TV icon Johnny Carson, setting the record straight on Carson's legacy and shining light on the personality behind the legendary comedian and talk show host. Over the course of his thirty-year career hosting *The Tonight Show*, Johnny Carson appeared on some 4,500 broadcasts, interviewed over 25,000 guests, and solidified himself as a warm, witty, comforting presence to US audiences during turbulent times. Carson aficionado Mark Malkoff has amassed more Carson stories from original sources than anyone in entertainment history, speaking to over four hundred individuals, and now in *Love Johnny Carson* he sets the record straight in this comprehensive portrait of Carson's life, career, legacy, and character. Read about the debuts of stand-up comics like David Letterman and Ellen DeGeneres, the never-before-detailed reasons why Johnny stopped talking to Joan Rivers, why he banned guests like William Shatner and Orson Welles, the true origins of *Carnac the Magnificent*, it wasn't stolen from Steve Allen, the part Johnny played in getting Nixon elected president, the beloved comedian who the Carson writers dreaded guest-hosting, and many other behind-the-scenes stories of the funniest and most beloved Carson moments of all time. In the end, Malkoff's book serves not only as a biography but also as a love letter, a love letter to show business to
