

Louis XIV An Informal Portrait

C. S. Lewis

Louis Xiv An Informal Portrait:

Louis XIV Warren Hamilton Lewis,1959 Louis XIV's Architect Richard Ballard,2023-12-30 A must read for those seeking to understand the intersection of politics and art in a pivotal moment of European history This is a study of royal absolutism in a most extreme form in modern European history and of the nature of Louis XIV s concept of personal glory and of the embodiment of France as a new superpower It is a study of political ideas expressed in architecture to establish Versailles as the centre of French world power and royal prestige It is also a personal story full of social cultural and economic history of the period as seen in the life and work of Louis Le Vau from a humble family of craftsmen who was a self taught architect in the early history of the profession skilled in technical craft skills and even grand design He was a major contributor to the architectural glories of Paris including the Louvre Vincennes Versailles and the College of the Four Nations And all achieved despite interference from the great magnates of the age like Mazarin and Colbert and constant mind changing by the King who wanted every feature in the buildings to reflect his concept of personal royal prestige Le Vau was Louis XIV s First Architect from 1654 until his death and disgrace in 1670 The social cultural economic and political backdrop is striking with court intrigue scandal corruption luxury indulgence and the rise of a rich bourgeoisie but the main thrust of the story concerns Louis XIV and the royal personal ambition and the work of a stone cutter s son who became the Sun King s instrument The study is good on the more technical features of architectural history reminiscent of Pevsner s marvellous Buildings of England series The Fabrication of Louis XIV Peter Burke,1994-01-01 Louis XIV was a man like any other but the money and attention lavished on his public image by the French government transformed him into a godlike figure In this engrossing book an internationally respected historian gives an account of contemporary representations of Louis XIV and shows how the making of the royal image illuminates the relationship between art and power Images of Louis XIV included hundreds of oil paintings and engravings three hundred odd medals struck to commemorate the major events of the reign sculptures and bronzes as well as plays ballets in which the king himself sometimes appeared on stage operas odes sermons official newspapers and histories fireworks fountains and tapestries Drawing on an analysis of these representations as well as on surviving documentary sources Peter Burke shows the conscious attempt to invent the image of the king and reveals how the supervision of the royal image was entrusted to a committee the so called small academy This book is not only a fascinating chronological study of the mechanics of the image making of a king over the course of a seventy year reign but is also an investigation into the genre of cultural construction Burke discusses the element of propaganda implicit in image making the manipulation of seventeenth century media of communication oral visual and textual and their codes literary and artistic and the intended audience and its response He concludes by comparing and contrasting Louis s public image with that of other rulers ranging from Augustus to contemporary American presidents *Louis XIV.* Vincent Buranelli,1966 **Louis XIV.** Harry George Judge,1967 **A**

Bibliography of Modern History , The Grimaldis of Monaco Anne Edwards,2017-09-01 The Grimaldis of Monaco tells in full the remarkable history of the world s oldest reigning dynasty For nearly eight hundred years from the elegant Genoese Rainier I to the current Prince Albert II the Grimaldis an ambitious hot blooded unscrupulous race swift to revenge and furious in battle have ruled Monaco Against all odds they have proved themselves masterful survivors still in possession of their lands and titles despite the upheavals of the French Revolution and the First and Second World Wars when royal heads rolled and most small countries met their demise With insufficient weaponry and military forces far too small to go into combat against their more powerful neighbors France and Italy the Grimaldis endured by their cunning and their shrewd choice of brides rich women and high connections in the most influential courts of Europe and often strong sexual appetites The French nobleman s daughter who married Louis I later became the mistress of France Louis XIV Her son Antoine I was wed to an aristocratic wife who outdid her mother in law by having so many lovers her husband took to hanging them in effigy The seafaring adventurer Prince Albert I was unfortunate enough to have two wives one British one American who ran off with their lovers His second wife the American Alice Heine a fabulously rich heiress from New Orleans and the widowed Duchesse de Richelieu was the model for Proust s Princess of Luxembourg Heine used her own wealth to bring grandeur culture and sophistication to the palatial center of Monte Carlo and with the introduction of gambling an internationally celebrated resort was born initially for the privileged few and later for raffish caf society The last section of the book is devoted to the most recent generations of the Grimaldis Here a new image of Rainier III emerges as both man and monarch beginning with his blighted childhood as the son of divorced parents and of a mother scorned as illegitimate And preceding the drama of his marriage to Grace Kelly there is an account of his intense love affair with a French film star and reasons behind his sister s lifelong malice and envy of him The final note is necessarily tragic detailing in full the deaths of both Princess Grace and Princess Caroline s husband in sudden and shocking accidents The Collected Letters of C.S. Lewis, Volume 1 C. S. Lewis,2009-07-07 The life and mind of C S Lewis have fascinated those who have read his works This collection of his personal letters reveals a unique intellectual journey The first of a three volume collection this volume contains letters from Lewis s boyhood his army days in World War I and his early academic life at Oxford Here we encounter the creative imaginative seeds that gave birth to some of his most famous works At age sixteen Lewis begins writing to Arthur Greeves a boy his age in Belfast who later becomes one of his most treasured friends Their correspondence would continue over the next fifty years In his letters to Arthur Lewis admits that he has abandoned the Christian faith I believe in no religion he says There is absolutely no proof for any of them Shortly after arriving at Oxford Lewis is called away to war Quickly wounded he returns to Oxford writing home to describe his thoughts and feelings about the horrors of war as well as the early joys of publication and academic success In 1929 Lewis writes to Arthur of a friend ship that was to greatly influence his life and writing I was up till 2 30 on Monday talking to the Anglo Saxon professor Tolkien who came back with

me to College and sat discoursing of the gods and giants Asgard for three hours Gradually as Lewis spends time with Tolkien and other friends he admits in his letters to a change of view on religion In 1930 he writes Whereas once I would have said Shall I adopt Christianity I now wait to see whether it will adopt me The Collected Letters of C S Lewis Volume I offers an inside perspective to Lewis s thinking during his formative years Walter Hooper s insightful notes and biographical appendix of all the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era *The Age of Louis XIV* Jack Stuart Dugdale,1963 [A Compendium of World Sovereigns: Volume III Early Modern](#) Timothy Venning,2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who s who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals [The Oxford Dictionary of Art and Artists](#) Ian Chilvers,2017-09-27 Covering Western art from the ancient Greeks to the present day this best selling and authoritative dictionary is more wide ranging than any comparable reference work It contains over 2 500 clear and concise entries on styles and movements

materials and techniques and museums and galleries It also includes biographical entries for artists critics collectors dealers and patrons with places and full dates of birth and death in many instances correcting misinformation that has found its way into other sources For this new edition entries have been thoroughly revised and updated and more than fifty new entries have been added for example Tracey Emin and Jack Vettriano Browsers and readers with an interest in a particular area will benefit from the classified list of all the entries in the book an invaluable innovation that makes it easy to see immediately which collectors for example or 18th century French artists or printmaking terms are included in the dictionary Written in an engaging manner with many entries enlivened by quotations from artists and critics this dictionary is a pleasure to browse whilst its A Z structure and classified list makes it perfect for quick reference Previously entitled The Concise Oxford Dictionary of Art and Artists this major new edition is essential for students and teachers of art design art theory and art history and it is ideal for artists visitors to art exhibitions and galleries and anyone with an interest in art

Louis XIV of France Monroe Stearns,1971 A biography of the Sun King who strengthened France in many ways but at the same time planted the seeds for the French Revolution through his neglect and persecution of peasants and Huguenots

The Collected Letters of C.S. Lewis, Volume 3 C. S. Lewis,2004 The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written the early meetings of the Inklings with J R R Tolkien giving readings about hobbits and Middle Earth how C S Lewis became popular through BBC radio talks but mostly how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence

J.R.R. Tolkien Encyclopedia Michael D. C. Drout,2007 A detailed work of reference and scholarship this one volume Encyclopedia includes discussions of all the fundamental issues in Tolkien scholarship written by the leading scholars in the field Coverage not only presents the most recent scholarship on J R R Tolkien but also introduces and explores the author and scholar s life and work within their historical and cultural contexts Tolkien s fiction and his sources of influence are examined along with his artistic and academic achievements including his translations of medieval texts teaching posts linguistic works and the languages he created The 550 alphabetically arranged entries fall within the following categories of topics adaptations art and illustrations characters in Tolkien s work critical history and scholarship influence of Tolkien languages biography literary sources literature creatures and peoples of Middle earth objects in Tolkien s work places in Tolkien s work reception of Tolkien medieval scholars scholarship by Tolkien medieval literature stylistic elements themes in Tolkien s works theological philosophical concepts and philosophers Tolkien s contemporary history and culture works of literature

The Fellowship Philip Zaleski,Carol Zaleski,2015-06-02 A stirring group biography of the Inklings the Oxford writing club featuring J R R Tolkien and C S Lewis

Louis XIV. Monroe Stearns,1971

Picturing Marie Leszczinska (1703-1768) JenniferG Germann,2017-07-05 Portraits of Queen Marie Leszczinska 1703 1768 were highly visible in eighteenth century France Appearing in royal ch aux and after 1737 in the Parisian Salons the queen s image was central to the visual construction of

the monarchy Her earliest portraits negotiated aspects of her ethnic difference French gender norms and royal rank to craft an image of an appropriate consort to the king Later portraits by Maurice Quentin de La Tour Carle Van Loo and Jean Marc Nattier contributed to changing notions of queenship over the course of her 43 year tenure Whether as royal wife devout consort or devoted mother Marie Leszczinska s image mattered While she has often been seen as a weak consort this study argues that queenly images were powerful and even necessary for Louis XV s projection of authority This is the first study dedicated to analyzing the queen s portraits It engages feminist theory while setting the queen s image in the context of portraiture in France courtly factional conflict and the history of the French monarchy While this investigation is historically specific it raises the larger problem of the power of women s images versus the empowerment of women a challenge that continues to plague the representation of political women today The Sun King; Louis XIV of France Alfred Apsler,1965
