Paul Stevens, 1989-12 **A Compendium of the Theological and Spiritual Writings of Emanuel Swedenborg** Emanuel Swedenborg, 1853 **Sacred Marriage** Gary L. Thomas, 2008-09-09 Your marriage is more than a sacred covenant with another person It is a spiritual discipline designed to help you know God better trust him more fully and love him more deeply Scores of books have been written that offer guidance for building the marriage of your dreams But what if God's primary intent for your marriage isn't to make you happy but holy And what if your relationship isn't as much about you and your spouse as it is about you and God Everything about your marriage everything is filled with prophetic potential with the capacity for discovering and revealing Christ's character The respect you accord your partner the forgiveness you humbly

seek and graciously extend the ecstasy awe and sheer fun of lovemaking the history you and your spouse build with one another in these and other facets of your marriage Sacred Marriage uncovers the mystery of God s overarching purpose This book may very well alter profoundly the contours of your marriage It will most certainly change you Because whether it is delightful or difficult your marriage can become a doorway to a closer walk with God and to a spiritual integrity that like salt seasons the world around you with the savor of Christ
