Sanders,Trevor G. Mazzucchelli,2017-11-20 The Power of Positive Parenting provides an in depth description of Triple P one of the most extensively studied parenting programs in the world backed by more than 30 years of ongoing research Triple P has its origins in social learning theory and the principles of behavior cognitive and affective change and its aim is to prevent severe behavioral emotional and developmental problems in children and adolescents by enhancing the knowledge skills and confidence of parents **Stanford** ,1990 **Practices of Child Rearing** Mr. Rohit Manglik,2023-03-23 Analyses traditional and modern child rearing methods *Kids, Parents, and Power Struggles* Mary Sheedy Kurcinka,2009-10-13 From the author of Raising Your Spirited Child the award winning bestseller that has helped millions a pioneering research based guide to help parents end power struggles and begin connecting with their child Does bedtime mean struggle time with your child negotiating for just another ten minutes every single night Do most school mornings end with your child in tears Does your child ignore your repeated requests to get up and do their chores and homework Every family experiences power struggles but these daily tugs of war are not inevitable Beloved parenting expert Mary Sheedy Kurcinka Ed D addresses the everyday challenges of disciplining children while understanding the issues behind their behavior In *Kids Parents and Power Struggles* Dr Mary offers unique approaches to solving the daily and often draining power struggles between you and your children She views these conflicts as rich opportunities to teach your children essential life skills such as how to calm themselves to be assertive rather than aggressive to solve problems and to work cooperatively with you and

others In this book you will find successful strategies for Understanding emotions Managing intensity Identifying triggers With Dr Mary s effective guidance you ll be able to identify the trigger situations that set off the struggles and get to the root of the emotions and needs of you and your child *One Family, One Heart* L. Ann Eynon,2012-09-19 The book is an openly honest very personal inspirational memoir of change within a family beginning with a thought in late summer 1981 I do not want to slap and scream at my young daughters I do not want to be my mother She was looking for something She didn t know what she didn t know Author Bio Ann Eynon a licensed professional counselor has been Associate Director of The Parent Center at Bryn Mawr College in Pennsylvania since the mid 80 s a role that takes her into community as well as school settings She also maintains a part time private practice Prior to family life Ann taught secondary English Ann and her husband Rick live in the western suburbs of Philadelphia keywords Parenting Family Children Spirituality Relationship Transformation Enlightenment Inspiration Devotion Creativity **Taking Sides** Brent D. Slife,2002 The book is a debate style reader designed to introduce students to controversies in psychology The readings which represent the arguments of leading psychologists and commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework For each issue the editor provides a concise introduction and challenge questions The introduction sets the stage for the debate as it is argued in the yes and no readings and the challenge questions provoke further examinations of the issue By requiring students to analyze opposing viewpoints and reach considered judgments the book actively develops students critical thinking skills P 4 of cover *Playful Parenting* Lawrence J. Cohen, Ph.D.,2008-11-19 Parents have heard that play is a child s work but play is not for kids only As psychologist Lawrence J Cohen Ph D demonstrates in this delightful new book play can be the basis for an innovative and rewarding approach to parenting From eliciting a giggle during baby s first game of peek a boo to cracking jokes with a teenager while hanging out at the mall Playful Parenting is a complete guide to using play to raise strong confident children Have you ever stepped back to watch what really goes on when your children play As Dr Cohen points out play is children s complex and fluid way of exploring the world communicating hard to express feelings getting close to those they care about working through stressful situations and simply blowing off steam That s why playful parenting is so important and so successful in building strong close bonds between parents and children Through play we join our kids in their world We help them express and understand deep emotions foster connection aid the process of emotional healing and have a great time ourselves while we re at it Anyone can be a playful parent all it takes is a sense of adventure and a willingness to let down your guard and try something new After identifying why it can be hard for adults to play Dr Cohen discusses how to get down on the floor and join children on their own terms He covers games activities and playful interactions that parents can enjoy with children of all ages whether it s gazing deep into a baby s eyes playing chase with a toddler fantasy play with a grade schooler or reducing a totally cool teenager to helpless laughter Playful Parenting also includes illuminating chapters on how

to use play to build a child's confidence and self-esteem how to play through sibling rivalry and how play can become a part of loving discipline Written with love and humor brimming with good advice and revealing anecdotes and grounded in the latest research Playful Parenting will make you laugh even as it makes you wise in the ways of being a happy effective enthusiastic parent
