## **Love And Remembrance The Poetry Of Jorge Manrique:**

*Love and Remembrance* Frank A. Domínguez, 2021-12-14 Jorge Manrique was the greatest poet of fifteenth century Castile and one of the three or four greatest in Spanish literature Frank A Dom nquez offers here an introduction to Manrique s poetry and the first book length study of him in English in fifty years After presenting the biographical and historical context of Manrique s poetry Dom nquez examines the poet s love lyrics describing the large fund of commonplaces and forms that Manrique s verses share with those of other poets of his age Manrique s highly stylized language and parallel verse structures express the obsession of the lover with the beloved Moreover his attention to parallel construe the world s greatest In treating the Coplas Dom nquez not only offers a sensitive reading of the elegy but also examines questions of text structure and style Like the love lyrics the Coplas present a high incidence of parallel structures that make for clarity and symmetry Dom nquez also finds that the complex stylistic relationships of the verses provide the Coplas with a unity that is deeper and more fundamental than has generally been perceived This study eclectic in its critical approaches will be the standard English work on Manrique for years to come

**Chivalry and Violence in Late Medieval Castile** Samuel A. Claussen, 2020 First full investigation in English into the role played by chivalric ideology and its violent results in late medieval Castile The Kingdom of Castile in the late Middle Ages suffered from regular civil strife warfare dynastic contests and violence such that only a century before the birth of the Spanish Empire it is difficult to imagine a successful world empire centered in this tumultuous realm The chaos that marked this period of Castilian history was not mere chance but the result of key historical developments which have not been fully examined in Anglophone scholarship

This book explores the roots of the disorder that plagued Castile in the fourteenth and fifteenth centuries identifying the ideology of chivalry and its knightly practitioners as the chief instigators of the violence that destabilized the kingdom The author argues that chivalry was far from being a code of good behaviour scrupulously observed but rather encouraged knights to avenge themselves violently upon their neighbours pursue a zealous holy war against Islam and tear at the social fabric of Castilian society Their powerful ideas and values shaped the course of Castilian history in the crucial years before the unification of the Spanish kingdoms pursue a zealous holy war against Islam and tear at the social fabric of Castilian society Their powerful ideas and values shaped the course of Castilian history in the crucial years before the unification of the Spanish kingdoms pursue a zealous holy war against Islam and tear at the social fabric of Castilian society Their powerful ideas and values shaped the course of Castilian history in the crucial years before the unification of the Spanish kingdoms
