Optimality Of I Potentiality: Consciousness, Cognition, Causality And Criticality Of Communication Santosh Jha,2019-06-05 Human body mind is a warrior a great survivor but its full potential requires very specific processes of optimization Everyone is a huge potential but his or her wellness and success excellence can only be attained when we decipher the Rule of Causality which leads us there This eBook unravels the Craft of Self Optimization It cracks the complex Cognitive Code for all life living attainments We talk in this eBook about the ways to facilitate the launch of a Conscious Enterprise to use the Media and Communication plexus of our body mind to achieve whatever wellness and success goals we consciously set for our life and living We talk about how to facilitate the shaping up of our Higher Consciousness which has the mastery of artistry to not only decipher the subconscious media and its communication very effectively but also unleash a conscious communication using the same media to attain whatever goal of life living about wellness and excellence we decide for ourselves **A Practical Guide to Interuniversalism** Talla Parj,2022-02-24 Interuniversalism is a science based mystical practice based upon direct experience It is the purpose and the ultimate goal of this practice to raise our collective consciousness to heal humanity at every level answer basic questions about creation and help humanity walk the path to inner completion The Higher Consciousness is the intelligence running the universe It is possible to receive visions knowledge and certain abilities through connecting with the Higher Consciousness Connection with the Higher Consciousness through Interuniversalism is very practical The first step taken in this practice is to manifest the ability to heal The Higher Consciousness will help prevent control or completely cure the physical mental or psychological problems of the recipients A Practical Guide to Interuniversalism is a translation of the original version of Interuniversalism Erfan Halgheh This handbook is a guide for students of this unique practice It is also a teaching guide for those who are already masters in this tradition For the general public this is a book of knowledge However to activate the links shared in this mystical practice registration in the course is required **Secrets to Divine Manifestations** Alain Yaovi M. Dagba,2010-08 There is a dreamer in every soul He knows the mind of God concerning our lives He is the hand of God that writes our lives stories What is your life story Do you know the script you ought to play There is a story teller in your heart He whispers at night in your deep sleep He will tell you the secret to the dream of your life Can you see him while you are awake Can you hear him in

your intuition He walks in your soul day and night He never ceases to ask you the same question Where is the Soul I have been sent to help In *Secrets to Divine Manifestations* Alain Yaovi M Dagba guides the reader in a spiritual adventure that leads to self awareness He emphasized that to be aware of our self is to be aware of the presence of God in us and fully accept our true divine identity He shows in his writing that by simply uncovering what we really are we are able to overcome anything any form of evil even the most predicted threatening events of our time His teachings are centered on the belief that by learning to easily tap into the life of our divine nature we can change our consciousness thus positively affect the vibration of our planet while reaching perfect peace and happiness In this noble adventure of discovering the divinity in the core of our being we come to know our individual life purpose and are healed from our past wounds In a word we are born anew to become a fragrance of hope for our loved ones and those around us

Existentialist Ontology and Human Consciousness William L. McBride, 2013-09-13 Existentialist Ontology and Human Consciousness The majority of the distinguished scholarly articles in this volume focus on Sartre's early philosophical work which dealt first with imagination and the emotions then with the critique of Husserl's notion of a transcendental ego and finally with systematic ontology presented in his best known book *Being and Nothingness* In addition since his preoccupation with ontological questions and especially with the meanings of ego self and consciousness endured throughout his career other essays discuss these themes in light of later developments both in Sartre's own thought and in the phenomenological hermeneutic and analytic traditions

The Book of Consciousness Dr. Bara H. Loveland, 2011-01-19 The Book of Consciousness by Dr Bara H Loveland Have you ever wondered what Consciousness is or the mind the unconscious or Archetypes and Symbols how they work and how to define these Without arriving at the reach of Consciousness there are numerous books on consciousness there are conferences held and groups searching for consciousness with dictionaries attempting to define it Why have they not found the ultimate definition of Consciousness to this day of the publication of The Book of Consciousness in January 2011 Could Bara's new book The Book of Consciousness hold the answer Can it deliver the ultimate in Consciousness There are many other questions which science has not positively answered yet Why is it that our brain cerebrum seat of the mind has to be calmed from 40 Hertz to 8 Hertz or less literally put to sleep in order to reach highest states of awareness although the cerebrum is supposed to be the seat of the world's highest intelligence Why is this seat of highest intelligence polluting the earth to the brink of dying of life Why is the unconscious called unconscious when it is able to construct meaningful dreams and is there a difference between an Archetype and a Symbol appearing in dreams and myths Could a neurosis not be a disease And what is it the mind really knows Profound contemplation of Consciousness must lead to further questions about the origins of Archetypes and Symbols about wisdom and similarities of ancient Stone Age Symbols East Indian and Egyptian scriptures Runes Mayan glyphs and biblical Symbols or world religions in general One may wonder why an Egyptian god is frequently named in Christian churches and is mentioned in both the Old and the New Testaments Is God He and could He
