Love Hate And Welfare Psychosocial Approaches To Policy And Practice

Malcolm Payne

Love Hate And Welfare Psychosocial Approaches To Policy And Practice:

Love, Hate and Welfare Lynn Froggett, 2002-10-30 This title is a psycho social examination of the changing relationships between service users professionals and managers in the post war welfare state Its original approach bridges the practitioner policy divide by reversing the traditional lens of social policy *Psychosocial Studies* Kath Woodward, 2015-02-26 There is expanding global interest in the relationship between the psychological and the social The bringing together of affect emotion and feeling with social political and cultural forces offers a creative innovative and rich set of ways of understanding what Charles Wright Mills called the links between personal troubles and public issues This book is an introduction to psychosocial studies Drawing on different approaches to the field the book introduces the main theoretical influences on psychosocial studies and their development and impact through for example concepts such as the unconscious self and identity affect emotion and the cultural and social unconscious It explores the theoretical frameworks of psychosocial studies and psychosocial research methods The book offers examples of case studies which illustrate the diversity of psychosocial studies and what makes it distinctive It asks what is social about the inner worlds of the psychological What is psychological and psychic about social worlds and social life This clear accessible introduction will be of interest to students and researchers across the social sciences and humanities in particular in sociology psychology cultural geography social policy and politics and cultural studies

Emotions Monica Greco, Paul Stenner, 2013-10-31 Are emotions becoming more conspicuous in contemporary life Are the social sciences undergoing an affective turn This Reader gathers influential and contemporary work in the study of emotion and affective life from across the range of the social sciences Drawing on both theoretical and empirical research the collection offers a sense of the diversity of perspectives that have emerged over the last thirty years from a variety of intellectual traditions Its wide span and trans disciplinary character is designed to capture the increasing significance of the study of affect and emotion for the social sciences and to give a sense of how this is played out in the context of specific areas of interest The volume is divided into four main parts universals and particulars of affect embodying affect political economies of affect affect power and justice Each main part comprises three sections dedicated to substantive themes including emotions history and civilization emotions and culture emotions selfhood and identity emotions and the media emotions and politics emotions space and place with a final section dedicated to themes of compassion hate and terror Each of the twelve sections begins with an editorial introduction that contextualizes the readings and highlights points of comparison across the volume Cross national in content the collection provides an introduction to the key debates concepts and modes of approach that have been developed by social scientist for the study of emotion and affective life

Professional Identity and Social Work Stephen A. Webb, 2017-06-26 Bringing together the perspectives of an internationally renowned group of specialists the collection addresses a range of issues associated with professional identity construction and being professional in the context of a

rapidly changing inter professional environment It explores traditional aspects of professional identity such as beliefs values in group status and belonging alongside themes of professional socialisation workplace culture group membership boundary maintenance jurisdiction disputes and inter professional tensions with health education and the police Psychoanalytic Theory for Social Work Practice Marion Bower,2005 Written by practicing social workers and social work educators this text analyzes modern psychoanalytic and psychosocial approaches to social work and relates them to current practices and values Focusing on working with children and families the text covers salient issues in social work practice including risk assessment dealing with parents with drug and alcohol problems supervision and management of emotional stress Throughout the book there is an emphasis on the realities of frontline practice and looking at what can realistically be achieved It also addresses the research evidence for this approach With psychoanalytic and psychosocial approaches becoming increasingly popular this text will be a welcome addition for professionals students and social work educators

Modern Social Work Theory, Fourth Edition Malcolm Payne,2014-07-01 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more

specialist writing Community Groups in Context Angus McCabe, Jenny Phillimore, 2017-03-15 In the past decade community groups have been portrayed as the solution to many social problems Yet the role of below the regulatory radar community action has received little research attention and thus is poorly understood in terms of both policy and practice Focusing on self organised community activity this book offers the first collection of papers developing theoretical and empirically grounded knowledge of the informal unregistered yet largest part of the voluntary sector The collection includes work from leading academics activists policy makers and practitioners offering a new and coherent understanding of community action below the radar The book is part of the Third Sector Research Series which is informed by research undertaken at the Third Sector Research Centre funded by the Economic and Social Research Council and Barrow Cadbury Trust **Transformative Learning for Social Work** Clare Stone, Fiona Harbin, 2017-09-16 Learning and self development is a continuous process for social workers and practitioners must keep abreast of new knowledge guidance and legislation in order to keep growing professionally In this innovative text an expert group of authors from a range of academia and practice settings highlights the importance of traditional approaches to learning such as reflective practice and motivation and introduces more contemporary methods such as coaching service user participation and developing digital competence Strongly practical in its approach the book enables the reader to engage with the content in bite size pieces encouraging them to learn in whatever way works best for them Features include Over 40 reflective tools exercises and templates that can be used by learners and educators independently or in groups in the classroom or the workplace A wealth of case material to illustrate key points An inspiring collection of first hand narratives from social workers learning and developing in the field This is an invaluable resource for educators and a must read sourcebook for learners be they students newly qualified social workers or practitioners wishing to attend to their own professional development **Reforming Child Protection** Bob Lonne, Nigel Parton, Jane Thomson, Maria Harries, 2008-07-10 Child protection is one of the most high profile and challenging areas of social work as well as one where children s lives and family life are seen to be at stake Vital as child protection work is this book argues that there is a pressing need for change in the understanding and consequent organization of child protection in many English speaking nations Grounded in the recent and contemporary literature research and scholarly inquiry this book capitalises on the experiences and voices of children young people families and workers who are the most significant stakeholders in child protection It will be an essential read for those who work research teach or study in the area

Youth in Context Martin Robb, 2007-05 A critical reflection on practice made accessible for all *Youth in Context* will be of interest to both students and a wide range of professionals In many ways the textbook format with its regular commentary key points case studies and activities makes the content more accessible by offering the reader a structure within which to reflect critically in their practice *Young People Now* The series *Youth Perspectives and Practice* provides a distinctive and rare combination of expert commentary new research original theorising and critical reflection on how we should understand

youth and work with young people These books deserve a wide readership the way they are written and organised will make them particularly appealing to students Professor Robert MacDonald University of Teesside I have found that these books have enlightened and further developed my understanding of young people and are an excellent point of reference to support my work in this field Carolyn Moore youth worker Youth in Context Frameworks Settings and Encounters offers a critical and up to date overview of the theoretical and practical issues involved in work with young people It helps readers situate current practice issues within the context of a rapidly changing field and demonstrates how critical reflection can be used as a tool to transform individual and collective practice The book is divided into three parts Part 1 provides conceptual tools for understanding changing policy and practice in relation to young people Part 2 considers the changing contexts in which work with young people takes place Part 3 explores the diverse ways in which services for young people are planned and organised The book offers a holistic and interdisciplinary approach to understanding the changing experience of work with young people presenting complex issues in an accessible and interactive way It will be essential reading for students on courses in youth work youth studies education social work and social policy and for professionals working with young people in a wide range of settings Together with its companion volume Understanding Youth Perspectives Identities and Practices it is a core text for The Open University's third level undergraduate course Youth Perspectives and Practice KE308 Martin Robb is a Lecturer in the Faculty of Health and Social Care at The Open University He is co editor of Relating Experience stories from health and social care Routledge 2005 Communication Relationships and Care Routledge 2004 and Understanding Health and Social Care SAGE 1998 and has published articles and book chapters on a wide range of topics with a recent focus on issues of fatherhood masculinity and childcare Before joining the OU he worked in informal and community education projects with adults and young people

Art, Creativity and Imagination in Social Work Practices Prue

Chamberlayne, Martin Smith, 2019-07-09 Harnessing the inspiration available from the arts and the imagination brings to life sensitive and effective social work practice Workers feel most satisfied while service users and communities are more likely to benefit when creative thinking can be applied to practice dilemmas Drawing on contributions from Canada England and Utrecht this book illustrates the transforming effect of creatively applied thinking to social problems The first part of the book considers how use of the self can be enhanced by analytic reflection and application to difficulties facing individuals and communities The second part shows psychodynamic theory to be a valuable aid when thinking about issues faced by social workers facing threats and accusations therapeutic work with children and restorative youth justice The third part of the book considers the implications of working with the arts in community settings an ex mining community in North West England the Tate Gallery in London and the cultural capital of Liverpool Taken as a whole these chapters combine to inspire and provoke thought of how the arts and the imagination can be used creativity to help service users confronted by problems with living and the workers who attempt to get alongside them to think about these This book was published as a special

issue of the Journal of Social Work Practice Best Practice in Social Work Karen Jones, Barry Cooper, Harry Ferguson, 2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource **Emotional States** Eleanor Jupp, Jessica Pykett, Fiona M. Smith, 2016-10-14 What is the political allure value and currency of emotions within contemporary cultures of governance What does it mean to govern more humanely Since the emergence of an emotional turn in human geography over the last decade the notion that our emotions matter in understanding an array of social practices spatial formations and aspects of everyday life is no longer seen as controversial This book brings recent developments in emotional geography into dialogue with social policy concerns and contemporary issues of governance It sets the intellectual scene for research into the geographical dimensions of the emotionalized states of the citizen policy maker and public service worker and highlights new research on the emotional forms of governance which now characterise public life An international range of empirical field studies are used to examine issues of regulation modification governance and potential manipulation of emotional affects professional and personal identities and political technologies Contributors provide analysis of the role of emotional entanglements in policy strategy policy implementation service delivery citizenship and participation as well as considering the emotional nature of the research process itself It will be of interest to researchers and students within social policy human geography politics and related disciplines Making Policy Move John Clarke, Dave Bainton, Noémi Lendvai, Paul Stubbs, 2015-04-15 Written by key people in the field this timely and accessible book argues that treating policy's movement as an active process of translation in which policies are interpreted inflected and re-worked as they change location is of critical importance for studying policy **Practising Social Work Sociologically** Priscilla Dunk-West, Fiona Verity, 2018-02-13 This timely and much needed text book presents an innovative theoretically based approach that helps students practitioners and researchers alike orientate their view and sensibilities in a rapidly evolving modern world Traditional social work approaches are often ill equipped to take into account the emerging social change which has resulted from technological change globalisation and mobilities as well as environmental change By bringing sociological social work perspectives to contemporary practice it draws on concepts from a range of disciplines in recognition that we are collective thinkers and actors and that our ideas are shaped by what we read and build upon Whether taking a social work theory module or preparing for placement this sociological perspective provides a crucial foundation for practice and puts the social back in to social work **Ethics and Value Perspectives in Social Work** Mel Gray, Stephen A. Webb, 2010-05-19 This agenda setting text explores a broad range of value perspectives and their impact on and contribution to social work thinking on ethics Including new perspectives such as Islam and drawing on international contributors this is essential reading for all social work students studying ethics and values **Working with Older People** John Harris, Denise

Tanner,2007-10-11 Working with older people has become an increasingly important part of social work education and practice Whether studying community care adult services human growth and development or social work processes and interventions this book will be a vital source of information and help Working with Older People provides a framework of knowledge skills and values pertinent to qualifying social work courses and the new post qualifying award in Social Work with Adults including discussion of ideas about human development and theories of older age legislation social policy and social welfare skills for working with older people assessment and care planning partnership working Written by two experienced educators and practitioners this key text facilitates individual or group learning through features such as objectives for each chapter case studies and further reading suggestions There are numerous activities throughout the book and the final chapter contains pointers to consider for all of the activities It will be essential reading for social work students and qualified social workers

Contemporary Fathering Brid Featherstone,2009-04-15 APPROVED BY AUTHOR Since 1997 child welfare services have been faced with new demands to engage fathers or to develop father inclusive services This book emerges from work by the author as a researcher and educator over many years on the issues posed by this agenda for child welfare practitioners in a variety of contexts In locating fathers fathering and fatherhood within historical and social landscapes the book addresses issues seldom taken up in practice settings It explores diversity and complexity in fathering in different disciplines such as psychoanalysis sociology and psychology and analyses contemporary developments in social policies and welfare practices The author employs a feminist perspective to highlight the opportunities and dangers in contemporary developments for those wishing to advance gender equity A key strength of Contemporary fathering is its interdisciplinary focus It will be required reading for graduate and postgraduate students of social work social policy sociology and child and family studies Academic researchers will also find the book invaluable because of its breadth of scholarship

An A-Z of Social Work Theory Malcolm Payne,2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further reading will provide you with a springboard to further learning
