The Optimistic Seekers Keys to Greatness: A Guide to Establishing a Successful, Happy, and Fulfilled Life - Spirit Edition Joel Rodriguez Creator of The EMBS Systematic Process, 2019-06-18 Joel Rodriguez grew up in poverty but through hard work he found himself with status and money. Finally, he had what he desperately wanted as a young boy, but he felt empty. While he was chasing his dreams, he'd neglected other areas of his life, including his family and friends. Keys to Greatness teaches a systematic process that will help you establish direction and balance. Drawing on his own experiences, the author provides a step-by-step course of action on finding success, happiness, and fulfillment. He answers questions such as: Why do so many people feel unhappy and unfulfilled? What steps can you take to achieve true fulfillment? What is the definition of true success? How can you overcome obstacles? The author also shares a FOCUS Process, which is a complete step-by-step course of actions with simple concepts, practical techniques, and no nonsense tools and resources that will help you achieve your goals.

The Pure Fellowship Pasquale De Marco, In a world that is increasingly divided the church is called to be a beacon of unity and love But how can we build strong and lasting relationships with other believers when we are so different How can we overcome the challenges of conflict division and isolation This book offers a fresh perspective on Christian fellowship Drawing from Scripture and real life examples this book explores the various dimensions of fellowship and offers practical guidance for building strong and lasting relationships with other believers This book is not about creating a superficial unity where everyone agrees on everything It is about learning to love and accept one another despite our differences It is about creating a space where we can be real with each other where we can share our joys and sorrows and where we can grow together in faith This book is for anyone who longs for deeper relationships with other believers It is for anyone who wants to experience the joy and power of true fellowship It is for anyone who wants to make a difference in the world through the power of unity and love In this book you will learn The different types of fellowship and the benefits of fellowship The challenges to fellowship and how to overcome them The importance of communication transparency and accountability in fellowship How to resolve conflict and restore fellowship How to grow together in faith and work together to build a stronger and more vibrant fellowship This book is a call to rediscover the pure fellowship that is possible in Christ It is a call to build relationships that are rooted in love acceptance and mutual support It is a call to be the church that God has called us to be If you like this book write a review

What We Don't Do Nick Cooney, 2025-04-15 A refreshing and necessary reminder on our ability to help those in need Moby When we think about whether we are good people leading a good life we usually think about actions Bad people do bad things that hurt others Good people do good things that help others and they avoid doing bad things Simple But while our actions certainly have consequences today our inactions have far greater and far graver consequences Bad actions can result in the suffering of a few or several dozen others inaction can result in the extreme misery of thousands It wasn t always this way For nearly our entire history as a species we lived in small groups with minimal resources leaving our ability to help others limited and the consequences of inaction modest It is not so today Thanks to massive global populations huge wealth disparities and modern technologies the average person now has more power to improve the lives of others than nearly anyone who has ever lived But the flip side of that great power is the dizzyingly high cost of inaction in which lives can hang in the balance with each dollar and hour of time we spend This is a book about what we don t do It s about our failures to act and the suffering others endure as a result

It's also about the incredible good that can be achieved when we cultivate an internal drive to do more. Confronts our tendency toward feel-good surface level altruism and instead challenges us to embrace discomfort and sacrifice at a level akin to high performing athletes. David Goldberg Co-Founder and CEO Founders Pledge A deep dive into waters often given only a glancing touch. Hopefully this message will spread through and beyond its readers. Dr. George Church Co-Founder Wyss Institute at Harvard University *The Worldly Monk* Kapil Chhabra, 2025-07-30 What if true human evolution isn't measured by power, wealth, or intellect but by our lived capacity for awareness, humility, and selfless presence? This book offers a subtle yet transformative journey into consciousness progression honoring our elemental nature, awakening deeper longings, and unlocking higher human potential. Rooted in timeless wisdom yet written for today's seeker, it offers reflections to help navigate life and vocation with grounded clarity, purpose aligned aspiration, and inner realization. More than a guide, it is an invitation to reimagine human progress through humanistic awakening, transcendental leadership, and purpose-driven enterprises that uplift both self and society. A fusion of philosophy, insight, and inspiration, this book speaks to changemakers, visionaries, and conscious professionals ready to lead with wisdom, align progress with meaning, and help shape a more compassionate, awakened Humanistic World. 5.0 Love Is... J. R. Gattis, 2022-03-10 Love is not your typical one-Scripture and a short-story type of devotional. Love is an in-depth study of the Word of God to analyze the true meaning of love and all of its attributes. By using the Bible as a lens, the author navigates us through an investigation into the biblical qualities of love from the Old Testament, the teachings of Jesus, and Paul's famous love verses in Corinthians. Each daily devotion is saturated with Scripture and strongly aims toward helping others live a victorious life. Providing many wise discernments, biblical references, and relatable application for the reader, Love is helps solidify each concept in their mind and ultimately their spirit. Each devotion is completely designed to draw the reader closer in their relationship with the Lord while addressing love from every angle, including faith and hope. With daily prayers, Scripture studies, and questions for reflections at the end of each devotion, the reader can connect to the study as they dive deeper into the depths of a biblically based love. Love is is the first devotional book by J. R. Gattis, and a portion of all proceeds will be donated through abidesinlove.com to show love in action to aid the addicted, homeless, and incarcerated to help them draw closer to Jesus in their time of need. Monks in the World William Thiele, 2014-02-03 In this moving spiritual memoir, Dr. William Thiele shares inspiring stories of the birthing of a monastery without walls among everyday women and men around New Orleans after the devastation of Hurricane Katrina in 2005. Along the way, core contemplative attitudes, practices, and principles were discovered. He offers these stories of birthing a School for Contemplative Living as a challenging call to a frantic and polarized world. Readers will be drawn toward their own spiritual transformation as they encounter imperfect monks with messy lives who are practicing God's presence and learning to serve the world from that presence. He encourages readers to join these monks in the world by forming contemplative communities who radiate loving kindness as their first priority.
