Henson, 2025-07-30 Two years ago a wormhole opened and ushered vicious dragons into the world The dragons burned Earth's cities to the ground and sent its inhabitants scattering for cover and since then Ayanna Grace a seventeen year old Black girl has been scratching out a life in an abandoned subway system part of an extensive underground community Underground medicine runs short and outbreaks of disease spread uncontrollably The water supply is low uprisings occur frequently and dragon attacks are imminent But those aren't the only challenges Ayanna is facing she's also busy wrestling with her feelings torn between Richard who she's known all her life and Jackson a mysterious newcomer Worse her mentor the community's only doctor is dying from a failing heart With no hope of rescue from aboveground will

Ayanna be able to save him before it's too late Love in the Age of Reptiles Wayne Kyle Spitzer, 2021-03-26 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin Well that depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn't take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn't take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Collected herein are the stories in which Love mattered From Love in the Age of Reptiles There were six of them as I said all of whom rushed us the instant our feet touched the ground All of whom snarled and charged us like wolverines as we raised our weapons and fired the flare gun cracking and hissing blanching the scarlet haze for the sun had painted everything red and gold its projectile punching through one of the raptors chests and lighting it up so that its ribs were backlit briefly and I could see if only for an instant its burning beating heart Yet still they came another one leaping at me even as I dropped the gun which clattered against the planks as I dropped it and grabbed the thing by its neck then brought the knife down with my other hand and stabbed it between the eyes Run I shouted even as Amanda shot another her second and then bolted toward the shore drawing the others so that I was able to snatch up the flare gun and quickly reload it so that I was able to pursue them and to shoot one in the back while Amanda turned and took out the last of them shooting it in the head so that the back of its skull exploded like a spaghetti dinner thrown against the wall so that it collapsed writhing about 10 feet in front of her whereupon she quickly approached it and shot it again just to be sure And then she looked at me as the dead and dying animals lay all around us and I looked back our chests heaving our faces covered in sweat our worn clothes bloody and disheveled and I knew that she knew which was that today we were the predators the thing needing to be feared the killers And that neither of us needed to worry not about food or other predators or mysterious lights in the sky or anything Because we were the masters of our fate we and no one else not even God And we were the master of the world's fate too At which she ran to me and we collided and I held her fast there on the long jetty in the Atlantic Ocean in the Bermuda Triangle there beneath a day moon and the blood red sky in an instant in which it was good so very good not to be afraid not to be alone And as to what may or may not have happened in those breaths those pulse points between that moment and the next the next day the next search the next milestone as to that I offer only a quote from Gandhi Speak only if it improves upon the silence **River of Love in an Age of Pollution** David Haberman, 2023-09-01 Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one

of India's most sacred rivers. A prominent feature of north Indian culture, the Yamuna is conceptualized as a goddess flowing with liquid love, yet today it is severely polluted, the victim of fast-paced industrial development. This fascinating and beautifully written book investigates the stories, theology, and religious practices connected with this river goddess, collected from texts written over several millennia as well as from talks with pilgrims, priests, and worshippers who frequent the pilgrimage sites and temples located on her banks. David L. Haberman offers a detailed analysis of the environmental condition of the river and examines how religious practices are affected by its current pollution. He introduces Indian river environmentalism, a form of activism that is different in many ways from its western counterpart. *River of Love in an Age of Pollution* concludes with a consideration of the broader implications of the Yamuna's plight and its effect on worldwide efforts to preserve our environment. Celebrated as an aquatic form of divinity for thousands of years, the Yamuna is one of India's most sacred rivers. A prominent feature of north Indian culture, the Yamuna is conceptualized as a goddess flowing with liquid love, yet today it is severely polluted.

Dangerous Love Ben Okri, 2023-02-14 From the Booker Prize-winning author of *The Famished Road*, a classic story of doomed love in a country trying to come to terms with its violent past. An epic of daily life, *Dangerous Love* is one of Ben Okri's most accessible and most disarming novels. Omovo is an office worker and artist who lives at home with his father and his father's second wife. In the communal world of the compound in which he lives, Omovo has both friends and enemies, but his most important relationship is with Ifeyiwa, a beautiful young married woman whom he loves with an almost hopeless passion, not because she doesn't return his love, but because they can never be together. Against the backdrop of Nigeria's civil war, Ben Okri creates an atmosphere where passion takes on a wholly different dimension, as danger, greed, hunger, and betrayal loom at every turn.

Costly Love John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church, and how easily we lose sight of the love on which Christ built his church when we do so. In *Costly Love*, Armstrong acknowledges the importance of doctrine and theological discussion in the church, but he urges Christians to focus first on whether we are following Jesus' new commandment to love, as he loved. Our actions of love will begin to bring us closer to unity with one another and with God.

A Love Letter to M. S. Di, 2020-03-11 I used to think the world is anything but simple. It is too complicated, and I am just one inconsequential piece. After 7 mysterious manic episodes, 4 mental hospital stays, 2 Masters, and 1 PhD, I know the world is as simple as it can be. God and love explain everything. This book is my formal PhD essay to the world, and you be the judge.

Love in the Age of Autism Gayle DeLong, Jonathan Rose, Jennifer Rose, 2025-06-10 Gayle DeLong was a well-known activist in the autism community, the Warrior Mom of two autistic daughters. She worked closely with Robert F. Kennedy Jr. on vaccine injury issues. This book is a record based largely on her diaries of her happy marriage to Jonathan Rose. *Love in the Age of Autism* does not sugarcoat the stresses and heartbreak of raising autistic children; it is more honest about that than most other books on the subject. But it is also an inspiring love story which can help

autism parents find profound joys in spite of all the pains It offers practical advice and models for sharing the burdens and pleasures of life based on a strong sense of family values This book frankly and with an earthy sense of humour illustrates how autism parents can continue to enjoy passionate monogamous physical love and it explains how to provide sex education for autistic girls The tale that Gayle and Jonathan tell is intensely romantic and life affirming

Love in the Age of White Genocide Loretta Buckley Malakie, Love and Marriage in the Age of Chaucer H.A. Kelly, 2004-01-30 Spicing erudition with wit Professor Kelly takes a new look at medieval attitudes toward love sexuality and marriage and he corrects a number of long standing misconceptions embodied in the concept of courtly love Through a close examination of canon law the common practice of clandestine marriage writings on mysticism and medieval poetry particularly Gower's *Confessio amantis* and Chaucer's romances and their sources he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue His evidence contradicts the theory closely associated with C S Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large By placing religious and cultural conventions in their proper context Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages

Hardcore Punk in the Age of Reagan Robert Fitzgerald, 2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren't just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before
