Love In The Days Of Rage:

Love in the Days of Rage Lawrence Ferlinghetti, 2001-10-02 The more I make love the more I want revolution the more I make revolution the more I want to make love In Paris in May of 1968 revolution and love are very much in the air The barricades are going up the students of the Sorbonne are taking to streets alive with the graffiti of revolt and the Odeon is ablaze with speechmaking For Annie a young American painter and Julian her Portuguese lover a banker and anarchist the events of that Paris spring form the backdrop against which their love affair is played Annie sees the world through an artist's eyes she is reckless in her passions wanting and needing love with other people There is none of this fanciful nonsense for Julian an anarchist disdainful of the entire human race who thinks even the enraged students storming the streets of Paris with their posters proclaiming open the windows of your heart and revolution is the ecstasy of history to be hopelessly naïve and sheeplike Ferlinghetti charts the progress of love unfolding against those heady and momentous days when the pampered children of the bourgeoisie tried to find common cause with workers who despised them when Julian and Annie were in the heat of their love and reason

Description: This is a love story about two heterosexual lovers from different social backgrounds and depicts their struggles to find a love that is more than fulfillment of their physical needs. It ventures into their emotional, poetical and metaphysical dimensions. The story is set in Punjab and depicts the social conventions, cultures and life styles of the land. A clash of values between rich and poor, between conventions and freedom. It is the lovers' quest for a personal meaning to their existence. A love that defies any compromise of their convictions, even unto death. About the Author: Durlabh Singh is a writer and an artist based in London, England. Having lost his father at a very early age, he had to take up the role of head of family, being the only male member in the household. Facing all the injustices of the Indian social class system, where he had to provide big dowries for marrying his sisters and getting into debts. The things took turn for worse when he came to England, as extreme racism was rampant there when he was constantly ridiculed and set upon by gangs of youths. Landlords refused to rent him even a room and shopkeepers refused to serve him. He was subject to racial taunts in streets and at work. He suffered number of

physical attacks and partially lost sight of an eye as he was beaten in a busy London street That constant harassment eventually resulted in acute depression and a mental breakdown and as a result he was admitted to a mental hospital He took up painting and writing as a therapy and developed these arts where he could find easier to breath from constant atmosphere of suffocation It helped him to survive and keep his mental balance in finding transcendence and wider fields of human creativity People suffering from mental distress may find some solace in his works *Reference Guide to American Literature* Thomas Riggs,2000 Concise discussions of the lives and principal works of American writers thinkers and cultural figures written by subject experts As Long as We Both Shall Love Karen M.
