The Romantic Spirit Mary June Kay, 1984 **Canadiana**, 1991 Rewriting Capitalism Beth Holmgren, 2017-03-13
Holmgren examines how capitalism in turn of the century Russia and the Kingdom of Poland affected the elitist culture of literature publishing book markets and readership Holmgren also draws parallels with and assesses recent literary and publishing developments in Russia and Poland shedding light on the current book market and the literature of Eastern Europe as a whole In this ground breaking book Beth Holmgren examines how in turn of the century Russia and its subject the Kingdom of Poland capitalism affected the elitist culture of literature publishing book markets and readership Rewriting Capitalism considers how both serious writers and producers of consumer culture coped with the drastic power shift from serious literature to market driven literature **An Imperialist Love Story** Amira Jarmakani, 2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies An Imperialist Love Story offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres *Measure of Love* Zelma Orr, 1984 *Measure Of Love* by Zelma Orr released on Oct 25 1984 is available now for purchase **Love in the Time of Self-Publishing** Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks

increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members [Love in America](#) Lawrence R. The Subversion of Romance in the Novels of Barbara Pym Ellen M. Tsagaris, 1998 Points out how British novelist Pym 1913-80 parodied the conventions of romance novels by deflating characters hyperbole and exaggeration or emphasizing meticulously the mundane elements of everyday life Shows how she used food clothes heroin and hero characterizations and marriage customs to portray her characters and perhaps her own skepticism about the whole business Paper edition 764 0 18 95 Annotation copyrighted by Book News Inc Portland OR
