named Zeke and Legs Zeke sprung from a world filled with danger and secrets He was raised by two parents that instilled strong moral values in him Zeke instead began to favor the excitement of the street life Legs on the other hand was a stunning beauty from a loving family that fell victim to the negative trappings of urban life Their paths crossed as they were beginning to live a normal life Legs and Zeke fell madly in love in only a short time Their lust and desire for each became a priority They decided to marry when a child was on the way This began the drama that was their life Keep an open mind as you relive their lives The story is written with truth and detailed accounts of the many events that took place They both found

God and sought redemption through Jesus the Christ Don't let the discomfort of their acts deter you from reading their entire story Remember they had to live through it too The real heroes of the story are God and Christ consequently without the resurrecting power of the almighty their lives may have remained lost I suggest you keep a Bible close by just as I did while writing the story

Every Day Should be Valentine's Day Jennifer Basye Sander, 2020-02-04 Amp up the love romance and beauty in your life Rest assured this is not a book about how to buy your way to a more romantic life Money stress is anti romance Instead we are here to help you create a more romantic life and make the most of what you already have The ideas and suggestions collected here are not always about dewy eyed romance but also about compromise and having positive experiences that bond you as a couple A few examples include Your Turn to Choose do something your partner loves even if you aren't as enthusiastic about it Maybe you can attend a musical one night and visit a brewery the next Mix it up Pick a Date using small scraps of paper each of you should write out twenty ideas on how to spend a day an evening or even an hour Ideas could include pack a picnic and go to the park or go to that restaurant we've been wanting to try or even have a movie marathon at home Fill a jar with the pieces of paper shake it up and pull out an idea when it's time for a date Get a Smaller Bed lounging on a huge king size bed might seem like an ultimate couples goal but in any kind of small space you need to work things out and come to an agreement faster than if there was room to spread out and get away from each other Though Valentine's Day has been around for centuries it's become so commercialized it can be easy to feel wiped out after the onslaught of advertisements So hey take back your power celebrate every day instead This book will offer fresh ideas and inspire you to see the romance in everyday life
