Love Letters from Mother Earth Anneloes

Smitsman, 2017-10-25 Love Letters from Mother Earth was written by Anneloes Smitsman to take us into the heart of our humanity to discover our story from a new perspective Through these Letters people receive the wisdom and support that our planet as a caring and conscious Mother shares for our collective flourishing These thirteen Letters have been carefully composed via a process of inspired writing and listening deeply to Mother Earth's message for us Together these thirteen Letters form a sacred design that is like a living map for the actualization of our collective wisdom potentials With this map we become more conscious of the designs of our inner and outer worlds gaining a new perspective and a more integrated understanding By reviewing the many chapters of our collective story through the eyes of our planetary Mother and our Sun we discover how we hold the keys for our individual and collective actualization within the very fabric of our beings Becoming more aware of our wisdom potentials within the living context of our interrelatedness empowers us to bridge and integrate what became divided and polarized long ago Returning to our wholeness we then discover the keys to our inner and outer healing and start to see the root causes of the thousands of years of divisions that created so much suffering Mother Earth reminds us in these Letters that a new cycle of time is being born through our integration based on Love and wholeness Through this new cycle we create together the next chapter of Our Story
