If you find this, please do not come into the bedroom. We left a window open so that the house wouldn't smell, but it will probably be a sight. I'm guessing you found this, Joel, because anyone else would have been electrocuted or blown up by one of my traps heh heh heh. Take anything you need. The bunker code is the same as the gate code but in reverse. Do not make a mistake or you will also get blown to shit. I am not joking. Don't fuck that up heh heh heh.

Anyway. I never liked you, but still, it's like we're friends. Almost. And I respect you. So I'm gonna tell you something because you're probably the only person who'll understand. I used to hate the world, and I was happy when everyone died.

But I was wrong because was one person worth saving. And that's what I did. I saved him, and then I protected him. That's why men like you and me are here. We have a job to do, and god help any motherfuckers who stand in our way. I leave you all of my weapons and equipment. Use them to keep Tess safe, until such time as you and she decide you're had enough. At that point, I recommend prising 40 Vicodins with a nice Brunello.
