The CEO's Obsession Kiko Oosawa,2019-02-20 Lola couldn't stop thinking about him and the night they'd shared. He wanted to find her so he could satisfy the itch to have her again. But he was a man who always kept it simple with women and made his intentions clear to them from the start. Bedding them more than once only made them feel like there was more than the physical intimacy between them. However, when Lola shows up the other day with the news of her family, all his rules and thoughts of staying away from her go out of the window. There is no way he was letting her go now. **Lola's Vegan**

Kitchen Lolita Dawson-Acker,2015-05-11 *Vegan Recipes and Pairing Healthy Vegan Lifestyle Cookbook* Cavalleria Rusticana Pietro Mascagni,1892 **Just the Three of Us** Narciso S. Albarracin Jr. M.D.,2023-01-12 The book is about the author's childhood during World War 2, his pursuit of a medical vocation, establishing a career in America, raising a family, and facing the challenges of the enterprise of life made possible by, in addition to his beloved wife, a third partner. The book includes accounts of life in an empty nest, milestone celebrations, tribulations, and divine interventions called Godwinks. It is a response to the primal need for humans to leave an account of their presence in this planet. **Billy Love's Wolfpack** Jean Wolf,2017-10-23 It is 1928 in Oklahoma and Billy Love Wolf is on the cusp of womanhood. Cousin Katerina Wolf and Aunt Elisabetha Wolf Braun reside in Germany. These three women are the voices of the Wolf clan; their complex relationships exquisitely intertwined. The pre-war years reveal an America seemingly uninterested in what is happening during Hitler's rise to power, yet there are exceptions with the three women working against the dark regime. What are their secrets? *Spanish Popular Cinema* Antonio Lázaro Rebol,Andrew Willis,2004-09-04 This is the first collection in English to focus exclusively on the various forms of popular film produced in Spain and to acknowledge the variety, range, and depth of Spanish cinema. Contributors from across Hispanic media and cultural studies explore a range of genres from the musicals of the 1930s and 1940s to contemporary horror movies, historical epics of the 1940s and 1950s, and contemporary representations of the Spanish Civil War. The book includes reappraisals of key popular directors such as Luis García Berlanga and Antonio Mercero, as well as critical analyses of celebrated stars like Marisol. It provides innovative consideration of the promotion and reception of horror in the 1960s, recollections of cinema going in Madrid, and reflections on successful recent works such as *Abre los Ojos* and *Solas*. **Where The Hurt Hid** Kemi Chapman,2025-05-28 *Where the Hurt Hid* is a deeply moving, emotionally layered novel by Kemi Chapman that explores the tender and often tumultuous relationship between Nigerian mothers and daughters. Set in vibrant contemporary Lagos and spanning decades of generational silence, this novel is both a love letter and a reckoning. Lola, a high-powered banker and single mother living in Ikoyi, receives an unexpected call: her mother, Patience, a devout traditional woman, announces she's coming to stay. What begins as an unassuming visit soon stirs years of unspoken pain, inherited trauma, and cultural expectations. Through flashbacks, journal entries, and candid conversations, the story unearths the complexities of duty, submission, survival, and self-love. Told with poetic grace and brutal

honesty Where the Hurt Hid is a powerful narrative about motherhood womanhood and the silent battles so many women fight It is for anyone who has ever yearned to be seen heard and held by the people who raised them If you loved Chimamanda Ngozi Adichie Tayari Jones or Lola Shoneyin this soul stirring novel will stay with you long after the final page
