Love My Children:

The World Deserves My Children Natasha Leggero, 2022-11-15 A deeply darkly funny Ali Wong comedian and New York Times bestselling author collection of insightful and razor sharp essays on motherhood in our post apocalyptic world from comedian Natasha Leggero When Natasha Leggero got pregnant at forty two after embarking on the grueling IVF process she was over the moon But once her feelings of bliss dissipated she couldn't help but shake the lingering question Am I doing this right And then Should I be doing this if the world is about to end In by far the funniest book Chelsea Handler New York Times bestselling author about parenting Natasha explores themes like geriatric pregnancy parenting in an environmental panic fear and love discipline and conflicting schools of thought on how not to raise a brat and more Ultimately Natasha determines that motherhood is worth it After all where do you think the next five generations of humans will be if the only people who are having kids don't believe in science The world deserves my children **Love's Vision** Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern **Defend Your Freedom and Stand up for Your Rights My Children** Daniel Gatluak P. Well, 2012-01-30 This Book it is about the Father Who cry out to God who created him in his Father Blood and in his Mother womb day after day week after week and months after months or even years after years now Because I do not want my children to be adopted by any one My wife die in 2000 and I did not want my children to be adopted That is why I write this Book for anyone who Love is children to stop wrong adoption Because I deem if any one Love his or her children that person children should not be take away from them Therefore God of life who created all human being help all human being who will read this book and Let them believe me OH God You say ask and it will be given And what every will be allow on earth will be granted in Heaven I ask you Now I need my children to come back to me and Let evil who take them stop or Lose for every **Investigation of the Board of Children's Guardians** United States. Smith,2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege presents an inquiry and review of humanitys continuing efforts to gain hold of its Legacy The focus of the second portion of Gods Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery
