Love Never Ends Growing Together In Marriage And Faith:

Love Never Ends Robert H. Lauer, Jeanette C. Lauer, 2002 *Love Never Ends* offers couples ways to strengthen their marriages through their faith and to deepen their faith through their marriages Jeanette and Robert Lauer write from a biblical perspective to affirm marriage as one of God's good gifts In ten chapters the Lauers show ways to strengthen one's relationship with God and the relationship with one's marriage partner Each chapter includes a section titled Face to Face with ideas for couples to ponder together guidance for creating a couples journal and a prayer to pray together Each day's devotional invites couples to share deeply and intimately and to communicate with each other and with God As couples read the book and engage in the exercises they will sharpen different marital and spiritual skills They will also grow in their understanding of Christian love and will practice mutual instruction in spiritual matters *Love Never Ends* will help married couples learn to increase the number of joyous marital and spiritual experiences in their lives

Spiritual Blindness Mark Allison, 2015-03-24 The New Testament teaches three specific things how individual Christians in the church are to conduct themselves o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage These three basic human relationships serve as a witness to those outside the church as an evangelistic tool How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world We have failed in these three basic relationships We need someone to step unafraid from the background and face down criticism and perhaps ridicule even persecution from the self-righteous who continue to lead the church away and resist the necessary course corrections in these final days Who will be willing to confront the issues head on in order for the world to know Christ Are you as part of His church ready for the second coming of our Lord Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate What discomfort are you willing to endure for the cause of Christ

Jones, 2016-01-21 Growing a Successful Marriage through Faith tells the story of marriage The book has many facets first it describes the institution of marriage as it was meant to be between a man and a woman It tells of their relationship with the Creator which is the bond that holds the marriage together Second it tells of choices made by a man and a woman that break the marriage bond Finally it is a story about grace and redemption which is a free gift offered by God through faith to restore the bond I refer to this book as a marriage faith help book a book to assist couples to protect their marriage vows as well as to cultivate their marriage in producing the fruit of the Spirit Refining a marriage through faith requires not only having a personal relationship with God and allowing him to guide one's decision making but also being obedient to God's instructions Growing a Successful Marriage through Faith not only represents an individual spiritual journey in which God redeems a person through a personal relationship with him but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit When the Holy Spirit bonds a marriage together the marriage is in a state of holy matrimony The book Growing a Successful Marriage through Faith tells of my personal life story and possibly there are parts of the story that others may be able to relate to I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature In this case the visuals are photographs of an okra plant that grew between the blocks of concrete Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self examination and spiritual solution The answers that you give may be reflections of your problem solving approach whether spiritual or otherwise In the Bible Jesus often used parables that involved nature and he performed miracles Both mediums were used to grow faith The book also serves to encourage those who are going through personal trials in their lives whether marriage health problems or any other difficult life circumstance to study the Word of God and pray that God sends the Holy Spirit to move in their lives When your relationship with God becomes close up and personal he gives you spiritual discernment that is the wisdom to put your
