Love On Line One Not Precisely Pregnant:

The Works of William Shakespeare, Complete. Accurately Printed from the Text of the Corrected Copy Left by the Late G. Steevens, Esq. With a Memoir by A. Chalmers. [With Portrait and Illustrations.] William Shakespeare, 1864 *Richard Aldington* Norman T. Gates, 2010-11 In the most comprehensive selection of his letters ever published Norman Gates allows Richard Aldington to tell the story of his life in his own words Unlike Aldington's autobiography *Life for Life's Sake* published twenty years before his death these letters include those two important decades of his life and do not depend upon memory Gates provides an introduction to each of the book's five sections sketching Aldington's biography during that decade but the reader may then listen to Aldington's own voice speaking through his letters Richard Aldington was married to the American poet H D and was a friend to many other writers and artists at the center of the Modern period His comments on his colleagues and their work his efforts to promote their literary fortunes his passionate love for two wives and two mistresses are all a part of these letters So too are his experiences on the editorial staffs of the *Egoist* and the *Criterion* which brought him to touch with European and American writers For a clear picture of the literary world of this time Aldington's letters are indispensable

The Poverty of Eros in Plato's Symposium Lorelle D. Lamascus, 2016-03-24 The Poverty of Eros in Plato's Symposium offers an innovative new approach towards Eros and the concept of Eros in the Symposium Lorelle D Lamascus argues that Plato's depiction of Eros as the child of Poverty *penia* and Resource *poros* is central to understanding the nature of love Eros is traditionally seen as self interested or acquisitive but this book argues instead that Eros and reason are properly in accord with one another The moral life and the philosophical life alike depend upon properly trained and directed Eros Lamascus demonstrates that the presentation of the nature of Poverty is essential to the nature of Eros in the Symposium doing this through in depth discussion of the major twentieth century interpretations of Platonic Eros The book shows that poverty provides an appropriate directing of Eros towards eternal and unchanging goods and away from an age geared towards material items and wealth and thus that Plato's mythical treatment of Eros in the Symposium lays the groundwork for understanding the soul's embrace of poverty as a way of living loving and knowing

Trinity, Freedom and Love Piotr Malysz, 2012-08-02 By critically engaging Eberhard Jüngel's doctrine of the Trinity this volume makes a broader constructive contribution to contemporary trinitarian thought The argument centers on the question posed by the inconsistencies uncovered in Jüngel's doctrine of God of how one can assert both divine freedom and the intersubjectivity of God's trinitarian self-determination Can one maintain God's freedom in the interest of divine spontaneity and creativity while remaining committed to intersubjective vulnerability which the Cross entails as an event of divine love Malysz suggests that a resolution to this problem lies in a logic of divine freedom which next to the trinitarian logic of love

constitutes a different and simultaneous mode of trinitarian relationality To develop this logic Malysz draws on J ngel s understanding of human freedom as rooted in the elemental interruption of the self securing subject Malysz thus not only brings J ngel s view of divine freedom into correspondence with the anthropological effects that J ngel ascribes to it but above all offers an imaginative new way of closely integrating the doctrine of God and theological anthropology *Church, Society, and the Christian Common Good* Ephraim Radner, 2017-07-14 Philip Turner s contributions as a leader and thinker in Christian missions and social ethics are here engaged by an array of friends and colleagues Turner s scholarly and clerical career spans a key era of transition in American and world Christianity and his thinking and teaching about the intersection between ecclesial and civil life have encouraged several generations of Christian theologians and ministers The essays in this collection touch on key topics in which Turner has been involved cross cultural missions social relations in terms of family and procreation ecclesiology scriptural interpretation the nature of the public good and the character of a human life before God Turner has been a pioneer within the Anglican world especially in promoting what has been called a generous orthodoxy and these essays by prominent theologians from America and the United Kingdom extend his witness in lively and fruitful ways **The Athenaeum** ,1912 *Library of St. Francis de Sales ...* saint François de Sales, 1884* Gulliver's Travels Exactly Reprinted from the First Edition, and Other Works by Jonathan Swift, with Some Account of Cyrano de Bergerac, and of His Voyages to the Sun and Moon Jonathan Swift, 1890 **Gulliver's travels, exactly repr. from the 1st ed., and other works, with some account of Cyrano de Bergerac and of his Voyages to the sun and moon, ed. by H.
