Love On The Beat:

The Beat Of Love L. Loryn, 2018-06-23 They each need what the other has Miguel Costa knows everyone in the celebrity world but he's not on the A list He's on the C list Maybe the B list if you ask the right person He's got a new movie coming out and what he needs is a quick injection of popularity Tsela WOLFE Begay is on the A list and he's not even an actor With long hair brooding dark eyes and a perpetual frown he's making women and men swoon left and right The only problem is under dark eyes and a calm demeanor lies a volatile temper and bad press follows him around like a sick puppy He needs Miguel's wholesome reputation on his side A little dirty work with their managers and suddenly they're in a good old fashioned celebrity relationship Mandatory for a year say their managers But between Wolfe's terrible temper and some secrets from Miguel's past can they really stick it out for a year And make their fans believe it's real at the same time

There is no doubt that we're living in a freer America as a result of the Beat literary movement which is an important part of the larger picture of cultural and political change in this country during the last forty years when a four letter word couldn't appear on the printed page and minority rights were ridiculous. Anne Waldman, a renowned poet and longtime friend of many of these writers, has gathered in this volume a range of the best and most exemplary writings of the Beat poets and novelists. Selections from the Beat classics appear as well as more recent prose and poetry demonstrating the continued vitality of the Beat experiment. Included are short biographies of the contributors, an extensive bibliography of Beat literature, and a unique guide to Beat places around the world from Kerouac's hometown of Lowell, Massachusetts, where his novel *Dr. Sax* takes place to Tangier where Burroughs wrote parts of *Naked Lunch*. [Catherin & Alexander *Love on the Internet*](#) T.R. Espinola, 2013-01-31. Catherin Alexander *Love on the Internet* is about two romantically driven people that have been, for the greatest part of their lives, unlucky in love. They see the romance in the rose opening its bloom for the world to see the beauty held within, as well as in the ability for two people with romantic hearts to find each other, enjoying the poetic beauty of the world around them. However, each feels disappointed in the fact that they have not found the person that brings love's star into focus. Catherin, a hopeful romantic, is a woman that craves romance, enjoys being a woman, and loves being feminine. She envisions herself in romantic scenarios with a man that can hold her heart in his hands, capable of loving her for the rest of her life. On the other hand, Alexander is not only a man of action, an individual that has always enjoyed adventure, never missing an opportunity to feel the adrenaline run through his veins, but also a true romantic and a Southern gentleman. He believes strength is best found in the way in which a man loves the woman in his life and in the way he lives his life as an
