Love on the Lifts, 2015 *Love Lifts The Curse* Barbara Cartland, 2013-10-01 Young London man about town Hamish McMurdock bears a grudge against his uncle the Earl of Kilmurdoch because he refused to consider Hamish's money making plan of selling lobsters crabs and salmon from the family estate The refusal is unreasonable but understandable because although a young man the Earl is embittered hating all women after having his heart broken unforgivably Hamish though plans to teach his uncle a lesson by sending an unknowing young woman to the Earl's Highland castle to care for what she believes is a blind and deaf old man Almost destitute after the death of her parents innocent young Jacoba answers Hamish's advertisement Arriving timidly at The Castle in Scotland she is horrified when the Earl flies into a fury and orders her away rudely It is only when she collapses in exhaustion that she is allowed to stay And when the Earl is terribly wounded by poachers she nurses him tenderly back to health All the time love is blossoming in her heart but surely as soon as he recovers from his wounds he will simply send her away

Rosenwein,2021-09-21 We make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed For love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgments Drawing on poetry fiction letters memoirs and art and with the aid of a rich array of illustrations historian Barbara H Rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire Each has had a long and tangled history with lasting effects on how we in the West think about love today Yet each leads to a different conclusion about what we should strive for in our relationships If only we could peel back the layers of love and discover its true essence But love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies By understanding the history of how we have loved Rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts The New Kind of Love E.
