Understanding Friendship Gary Chartier,2022 Understanding Friendship illustrates friendship as an expression of Christian love that can enrich one s life and be socially culturally and politically significant The book examines what friendship is how its distinctive moral status can be supported by multiple approaches to Christian ethics and its part in Christian spirituality *Just Between Us* Pat Williams,Jill Williams,Jerry B. Jenkins,1994-08 **Loving Creation** Gary Chartier,2022-09-27 Is it true that all we need is love Does love capture the essence of Christian ethics Does a love centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects What is the place of well being in an ethic of love Loving Creation The Task of Moral Life seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other Gary Chartier articulates a love centered creation ethic or a creation centered love ethic and applies it to such issues as sex economic life love for enemies and political order In the book Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives Loving Creation is unabashedly theological But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none It is a contribution not only to theological understanding but also to personal moral reflection to church practice and to Christian participation in public life
