Love And Attachment Contemporary Issues And Treatment Considerations:

Love and Attachment Carol Tosone, Theresa Aiello, 1999 It will help therapists hone their clinical skills to promote their clients growth love and attachment BOOK JACKET **The Handbook of Addiction Treatment for Women** Shulamith Lala Ashenberg Straussner, Stephanie Brown, 2001-01-18 Providing essential theoretical and practical guidelines for clinicians educators policymakers and public health professionals The Handbook of Addiction Treatment for Women is a comprehensive resource of the most current research and knowledge from recognized experts in the field of addiction and treatment This much needed guide offers an historical context on the issue of women and addiction examines the myriad challenges of the female addict and includes recommendations for choosing a course of treatment that will meet the specific needs of an individual woman addict **The Legacy of Fairbairn and Sutherland** Jill Savege Scharff, David E.

Scharff, 2005-10-26 In this book international contributors re examine Fairbairn and Sutherlands concepts in the light of current clinical experience illuminate their concepts with contemporary psychoanalytic theories and apply them in psychotherapy Doing More With Less Barbara Dane, Carol Tosone, Alice Wolson, 2001-07 Confronting the challenge to provide sound clinical treatment in brief therapy this timely book will enrich the practices of all psychotherapists Designed and arranged according to the DSM IV diagnostic categories each chapter addresses the short term treatment of a specific condition or patient population Starting from the premise that psychodynamically trained clinicians already possess the requisite skills to conduct short term treatment the editors demonstrate how to adapt these skills to a time limited approach

Secrets, Lies, Betrayals Maggie Scarf, 2005-06-07 Reading Maggie Scarf s groundbreaking new book could change your life In Secrets Lies Betrayals the bestselling author of Unfinished Business Intimate Partners and Intimate Worlds brilliantly explores how the body holds on to painful episodes from the past including secrets we may be keeping even from ourselves and how we can release them to live freer healthier lives The body has a unique memory system in which early trauma and deeply buried feelings become woven into the fabric of our physical being Certain events can trigger these body memories which may then manifest themselves symptomatically as persistent anger mood swings headaches muscle tension and fatigue These echoes from the past also cause destructive patterns in our lives and relationships Why does a beautiful successful woman like Claudia seek out abusive explosively tense relationships in which she is forced to hide the truth about herself Why does the presence of a strange woman s name in her husband s cell phone directory make Karen feel physically ill to the point where she cannot get through her daily life And why does the author herself experience painful physical symptoms when she wrestles with contradictory memories of her mother Exploring these and other personal narratives Scarf reveals how the body through its neurobiological systems retains some of life s most important experiences and describes how new power therapies such as reprocessing and psychomotor have had immediate results where traditional therapies have had a lower success rate Grounded in recent breakthroughs in mind body science and drawing on Scarf s personal experiences this
