amplifiers found itself under the direction of the Government for war work Overall this is a poignant testimony to the momentous efforts bravery self sacrifice and determination of the people of Wimbledon during the Second World War who sought to find normality in a reality so far removed from anything they had ever known *Reading London in Wartime* William Cederwell,2017-11-06 Reading London in Wartime Blitz the People and Propaganda in 1940s Literature presents an expansive variety of writers and genres including non fiction and film approaches to build a comprehensive social picture of the atmosphere during wartime London From blitz and austerity to the nagging insistency of propaganda this volume examines the representation of London in wartime and early post war literature through each writer s unique perspective on the pressures of 1940s city life Exploring the use of London imagery this book considers how literature redirects attention to individual subjective experience at a time of enforced co operation uniformity and community Unlike government information films and news broadcasts which often used London to prop up prevailing clich s and stereotypes and encouraged patriotic support for the war literature had the freedom to express more recalcitrant truths London writing of the 1940s was not a literature of opposition or dissent but in offering more nuanced depictions of the period it was a counterweight to propaganda and the general war temperament In writing the city becomes a more complex place no longer the easy symbol of defiance and stoicism of the shared sacrifice of ration book and war work *The English in Love* Claire Langhamer,2013-08-22 Love has a history It has meant different things to different people at different moments and has served different purposes This book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles To the casual observer this era was a golden age of marriage More people married than ever before They did so at increasingly younger ages And there was a revolution in our idea of what marriage meant Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction Romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure Scratching beneath the surface of the apparent golden age of marriage Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period It is a tale of quiet emotional instability persistent subversion and unsettling change At its end the idea of life long marriage was in serious decline And as Langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself **Krieg und Literatur/War and Literature Vol. XIV, 2008** Claudia Junk,Thomas F. Schneider,2009-10-28 Augenzeugenberichte zum 11 September 2001 und zu den Kriegen des 17 Jahrhunderts spannen den Bogen der Beitr ge des vorliegenden Bandes Eine Untersuchung der

massenmedialen Darstellung der Taten des Kreuzers Emden im Ersten Weltkrieg eine der zeitgenössischen Mythen steht neben Analysen von Max Frischs *Die Chinesische Mauer* und den Schriften Pat Barkers *Der Band* zeichnet sich durch eine Vielfalt von Ansätzen aus und repräsentiert dennoch nur ein kleines Spektrum der Bandbreite möglicher Themen Ergänzt werden die Beiträge durch Rezensionen zu einschlägigen Neuerscheinungen sowie durch eine Bibliographie wissenschaftlicher Publikationen aus dem Jahr 2005

Working Memory Marlene Kadar, Jeanne Perreault, 2015-07-31 Working Memory Women and Work in World War II speaks to the work women did during the war the labour of survival resistance and collaboration and the labour of recording representing and memorializing these wartime experiences The contributors follow their subjects tracks and deepen our understanding of the experiences from the imprints left behind These efforts are a part of the making of history and when the process is as personal as many of our contributors research has been it is also the working of memory The implication here is that memory is intimate and that the layering of narrative fragments that recovery involves brings us in touching distance to ourselves These are not the stories of the brave little woman at home they are stories of the woman who calculated the main chance and took up with the Nazi soldier or who eagerly dropped the apron at the door and picked up a paintbrush or who brazenly bargained for her life and her mother s with the most feared of tyrants These are stories of courage and sometimes of compromise not the courage of bravado and hype and big guns but rather the courage of hard choices and sacrifices that make sense of the life given even when that life seems only madness Working Memory brings scholarly attention to the roles of women in World War II that have been hidden masked undervalued or forgotten **Dead Woman Pickney** Yvonne
