Western Monthly Magazine ,1848 **Gospel Herald** ,1929 [Hawaii Story: End of a Love Story](#) Erik Anaya, *Aspects of Romantic Love* Dr. George Vareekal,2022-03-28 *Aspects of Romantic Love* Perceptions on Love and Marriage is a modest attempt to express my perceptions of romantic love and related themes To love and to be loved are exciting aspects of a person s emotional life The pivotal theme of the book is love romance marriage and those alliances which hamper a

harmonious conjugal and family life Romantic love is a fascinating passion and an ecstatic experience The very word romance captures our imagination and fills our hearts with exciting feelings The book is not a scientific treatise on love It only encapsulates romantic love with all its appealing themes My effort is to describe the splendid experience called love exclusively through my impressions The book is a product of the year 2020 marred by the Covid 19 pandemic and the terrible human exodus during the lockdown of 2020 The unexpected global and national scenario gave ample time and opportunity for reading writing and reflection Writing on a subject like romantic love helped overcome the lethargy and the feeling of devastation during the lockdown It has been an exciting creative activity and a marvellous sensation of diversion *The Power of a Story* Rev. James W. Moore,2014-08-05 In this book popular author James W Moore talks about the power of a story such as those told by Jesus in the Bible The author recalls I would be sitting there in the sanctuary of our church doing what young boys do in church drawing pictures on the back of the bulletin working puzzles looking constantly at Granny s watch wishing the seconds hand would move faster daydreaming about sports kicking my feet in the air impatiently counting the organ pipes And then the preacher would start telling a story and I was hooked He had my full attention I couldn t wait to hear the story Jesus knew the importance of telling stories to convey a message or a Biblical truth and used this technique often when speaking or ministering to others throughout the Bible in the form of parables Stories are a natural way to give detail and perspective while teaching an important point *A Book About Love* Jonah Lehrer,2017-07-25 Weaving together scientific studies from clinical psychologists longitudinal studies of health and happiness historical accounts and literary depictions child rearing manuals and the language of online dating sites Jonah Lehrer s *A Book About Love* plumbs the most mysterious most formative most important impulse governing our lives Love confuses and compels us and it can destroy and define us It has inspired our greatest poetry defined our societies and our beliefs and governs our biology From the way infants attach to their parents to the way we fall in love with another person to the way some find a love for God or their pets to the way we remember and mourn love after it ends this book focuses on research that attempts even in glancing ways to deal with the long term and the everyday The most dangerous myth of love is that it s easy that we fall into the feeling and then the feeling takes care of itself While we can easily measure the dopamine that causes the initial feelings of falling in love the partnerships and devotions that last decades or longer remain a mystery This book is about that mystery Love Lehrer argues is not built solely on overwhelming passion but fascinatingly on a set of skills to be cultivated over a lifetime

Emotional Infidelity M. Gary Neuman,2009-06-03 What s holding you back from a great marriage I don t believe in okay decent or solid marriages I m against them says M Gary Neuman I believe only in great marriages and that you should expect and reach for no less In the last fifteen years M Gary Neuman marital therapist and architect of the Sandcastles Divorce Therapy Program has helped thousands of couples in crisis Couples who fight Who ve grown apart Who are stuck in relationships that run more on routine and rancor than love and understanding What he s found is that contrary to popular

belief the problem is usually not poor communication It s the failure to put most of your focus into your marriage You ve only got so much energy Are you spending it by being emotionally unfaithful Take a quick check Do you send that funny e mail to your friends at work but not to your spouse Do you chew over all the problems on the job so thoroughly with your colleagues that by the time you get home you just don t feel like going into it all over again Do you get a secret thrill out of flirting with coworkers thinking it s safe because you know it s not going any further If so you re committing emotional infidelity and you re draining your marriage of the energy it needs to be great Learning how to break this cycle is one of eleven secrets M Gary Neuman shares in his provocative new book Based on the ten week program he s developed in his successful couples counseling practice the book offers guidelines that are often counterintuitive even outrageous or shocking But they work Dare to limit contact with members of the opposite sex Dare to need each other Dare to put in writing the nitty gritty realities of a marriage plan Dare to put your marriage before your kids or job Dare to make love in a whole new way Dare to change your focus make the commitment to focus on each of the eleven secrets ten plus one bonus secret for one week apiece and you ll reap the rewards of a transformed marriage and a reconfirmed relationship M Gary Neuman s program is guaranteed to challenge you and make you reexamine the myths holding you back from true happiness and satisfaction It will change your marriage forever
