Love Before Breakfast:

The Complete Lyrics of Alan Jay Lerner Alan Jay Lerner, 2018 The lyricist behind such enduring classics as *Brigadoon*, *Camelot* and *My Fair Lady* Alan Jay Lerner 1918-86 was a consummate craftsman refining his work over and over. In this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work. For the theater lover and scholar alike the book sheds new light on one of musical theater's defining figures.

Profane Angel Jerry Vermilye, 2023-11-14 When Carole Lombard was tragically killed in a plane crash on January 16, 1942, she was 33 years old and had been a film actress for almost 20 years, yet her best work probably still lay ahead. She had reached a career high point, earning praise for her talents as a comedienne as well as a dramatic actress. As well-liked as she was on screen, she was equally popular off screen, known for being witty, uninhibited, and a great party-giver. Blonde and beautiful, she reigned as the queen of Hollywood when she married Clark Gable, its king. This book offers a thorough examination of her too-short life and provides information about her 78 films, including cast and credits, synopses, reviews, and comments. Photographs from her life and films complete the work.

Becoming Carole Lombard Olympia Kiriakou, 2020-02-20 *Becoming Carole Lombard: Stardom, Comedy, and Legacy* is a historical critique of the development and reception of Carole Lombard's stardom from the classical Hollywood period to present day. Based on original archival research, Olympia Kiriakou combines theoretically informed textual analyses of Lombard's performances and star image across different media: biographies, publicity materials, photography, and film, with a critical engagement of the cultural, economic, social, and industrial conditions that shaped her stardom. Sitting at the intersection of feminist film theory, star studies, and comedy theory, this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged delicate female body. In doing so, it formulates a new historical approach to understanding gender, femininity, and identity in Hollywood comedies of the 1930s. Moreover, this is the first research of its kind to offer a comprehensive understanding of Lombard's stardom beyond her associations with the screwball comedy genre.

The Way We Were Dick Curtis, 2006-04-25 The story of Ray Pettit is the story of America: a country of decent and generous people, a country with a heritage and system of government based on liberty and the rights of individuals, a country where opportunity has no bounds. Encouraged by his mill worker parents, who were lacking in formal education but not in intelligence, character, and love for their children, he used his natural ability in mathematics and high-level academic achievement as a springboard to great accomplishments in engineering, some of which contributed to the development of today's modern cellphone technology. *Mill Village Boy* begins with the story of a barefoot boy in overalls in the small town of Canton, Georgia, during the depression years of the 1930s. Unconditionally loved by his parents, Ray Pettit went from Class Valedictorian to graduation from Georgia Tech with a degree in Electrical Engineering. This was followed by Masters and Doctor of Philosophy degrees and outstanding achievements in industry and academia. *Mill Village Boy* has

elements of intrigue and danger love and adventure comedy and sadness loyalty and betrayal a fascinating description of an exciting and rewarding life The ^AComplete Lyrics of Alan Jay Lerner Dominic McHugh,Amy Asch,2018-02-01 The lyricist behind such enduring classics as Brigadoon Camelot and My Fair Lady Alan Jay Lerner 1918 86 was a consummate craftsman refining his work over and over In this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner s oeuvre while also providing alternative or draft versions of his work For the theater lover and scholar alike the book sheds new light on one of musical theater s defining figures Outlook Alfred Emanuel Smith,Francis Walton,1895 **The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States** American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Wedding Cake for Breakfast** Kim Perel,Wendy Sherman,2012-05-01 Every woman plans for the big wedding day Few plan for the day after But once the cake has been cut the dress has been worn and the band has played its last song a marriage begins From the thrill and dread that comes with an unplanned pregnancy to catching up with an ex and having second thoughts Wedding Cake for Breakfast offers an intimate and often surprising look at that first year of marriage through the eyes and lives of 23 acclaimed women writers With humor and candor this collection takes readers behind closed doors for close ups and personal glimpses into the emotional joys and complications of creating a life together all the while blending families furniture and traditions for the very first time Gathered together in this hilarious and heartwarming anthology some of today s most renowned female voices including New York Times bestselling authors Susan Jane Gillman Joshilyn Jackson and Jill Kargman share their most touching and illuminating stories from the first 365 days of matrimony **Coming Back to a Theater Near You** Brian Hannan,2016-06-14 In the Silent Era film reissues were a battle between rival studios every Mary Pickford new release in 1914 was met with a Pickford re release For 50 years after the Silent Era reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits In the mid 1960s the return of The Bridge on the River Kwai 1957 the second biggest reissue of all time altered industry perceptions and James Bond double features pushed the revival market to new heights In the digital age reissues have continued to confound the critics This is the untold hundred year story of how old movies saved new Hollywood Covering the booms and busts of a recycling business that became its own industry the author describes how the likes of Charlie Chaplin Humphrey Bogart and Alfred Hitchcock won over new generations of audiences and explores the lasting appeal of films like Napoleon 1927 Gone with the Wind 1939 The Rocky Horror Show 1975 and Blade Runner 1982 The Breakfast-table Series Oliver Wendell Holmes,1888 **The 'breakfast table' series.
