Lawrence Fiona Becket,2005-06-29 So many questions surround the key figures in the English literary canon but most books focus on one aspect of an author s life or work or limit themselves to a single critical approach D H Lawrence is a comprehensive user friendly guide which offers basic information on Lawrence s contexts and works outlines the major critical issues surrounding his works from the time they were written to the present explain the full range of often very different critical views and interpretation offer guides to further reading in each area discussed This guidebook has a broad focus but one very clear aim to equip you with all the knowledge you need to make your own new readings of the work of D H Lawrence D. H. Lawrence's Language of Sacred Experience C. Burack,2005-11-20 This book demonstrates how D H Lawrence s prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers Charles Burack argues that Lawrence s major novels beginning with *The Rainbow* are structured as religious initiation rites that attempt to break down the reader s normative mindset and to evoke new numinous experiences of self and world Through careful analysis of narrative structure literary technique and sacred discourses Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism Unlike most initiations that conclude with powerful affirmations Lawrence s novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred erotic exploration **Major Short Stories of D.H. Lawrence** Martin F. Kearney,2016-12-05 First published in 1998 This reference guide is designed for those who would be knowledgeable readers of major short stories by D H Lawrence when the store of scholarship investigation and appraisal is far too vast for all but the expert An inclusive examination of what has been written about these short stories each chapter deals with a different short story and consists of five distinct sections 1 the complete publication history including all revisions and variants 2 a thorough examination of recognized and hitherto unrecognized sources as well as the influences at work on Lawrence in the creation of the story 3 the story s relationship to Lawrence s other writings 4 acknowledgement and summary of all extant critical studies and 5 a bibliography of works cited This study concentrates on six short stories culled from Lawrence s more than fifty works of short fiction *D.H. Lawrence and Nine Women Writers* Leo Hamalian,1996 D H Lawrence and *Nine Women Writers* sheds fresh light on how a number of women writers of his time and our own reacted in their thinking and writing to D H Lawrence s unbridled individualism sensitive genius creative energy and his sometimes infuriating misogynistic resentments Critic and scholar Leo Hamalian explores the ways that the sensibilities of nine important women writers were both extensively and profoundly influenced by the English author s fiction poetry criticism and self styled polyanalytcs Hamalian s series of comparative readings is illuminating They demonstrate clearly that the hard questions of ideology subject matter and style which engaged Lawrence throughout his turbulent career continued to

challenge a number of women writers who were grappling with these issues from another vantage point Through skeptical of some of Lawrence s theories these writers valued the dynamic aspects of Lawrence s creativity especially his emphasis on consciousness of wider meanings rather than character on symbol rather than narrative although he was a masterful storyteller They realized that his intensely conceived and evocatively concentrated scenes could be turned into a highly rewarding technique for suggesting the emotional conflicts and moral dilemmas of their own characters His primitivist philosophy struck them as healthy and his sensitivity as a kind of appealing vulnerability BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
