the Christmas gifts that won't break They are those gifts that cannot be lost that never go out of style and that are independent of the chances and changes of life They are the gifts that have been graciously given by God Designed to be used in conjunction with the Adult and Children's versions in an all church Advent study this study will focus on four of those gifts that also coincide with the four outer candles of the traditional Advent wreath Hope Love Joy Peace Order one book for each youth in your class plus a book for each leader You may also want to order an extra book so youth visiting your class during the Advent season can participate During this 4 week study youth will receive from God and pass on to others

Christmas Gifts That Won't Break **Your Journey to Peace** Rosemary McCarthy, 2016-10-21 Intertwined with Rosemary McCarthys personal journey of shifting from an angry frustrated person blaming others for her unhappiness to someone who now lives content with herself and in harmony with others Your Journey to Peace brings the esoteric to the practical and maps out how to become your Best Self and feel empowered in all areas of your life It also explains Why we are the way we are individually and collectively and how we got this way How we find peace within ourselves by making peace in our relationships and all situations That God does not allow for suffering We create it by upholding dualistic concepts of me and you and us and them that we embraced at our beginnings and before form The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings all our issues stem from those original concepts based on ideas of separation rather than unity That understanding time makes the seven day creation model valid What are the extraterrestrials origins How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs Our need to embrace the Indigenous peoples connection to Gaia That we chose to be here at this time of the Shift to bring about our personal and Gaias Ascensions
