story Stacey is left to raise Jet alone After visiting various doctors Stacey realizes that there is no clear answer as to why Jet has specific medical issues While he responds in a way that points to Autism his other responses are inconsistent with the predisposition Doctors are stumped yet Stacey is left dealing with a child who can't lead a normal life which means that she can't either Jack a colleague who once idolized Larry is hungry for a story and much more With a type A personality there are no lengths that Jack won't reach to garner more time in front of the camera By stalking Stacey Jack strives to probe into Jet's unnatural and in his mind newsworthy qualities It seems Jack is looking to be Larry's replacement by exploiting his only surviving son A family emergency forces Stacey to return to Arkansas There is a small comfort in leaving her troubles in the Big Apple until she realizes that one has followed her When Jet's problems worsen it leads to a tailspin of angst in the hospital Days later following tragedy in the town Dr Baker helps uncover the route of Jet's problems Unknown sources witness the discovery and suddenly the world becomes aware of the boy from Arkansas who has an ability that nobody else on Earth has It's Not the Flowers A selfish birthday wish An undeserved new life A tragic lesson An important final prayer Raelynn is a successful dietician She is a hard working mother of two girls and is married to Kevin an equally hard working man who is a loyal and devoted husband and father On the surface their fourteen year marriage looks fine until Kevin's father accidentally sets fire to his workshop and the family is faced with unexpected trauma Suddenly under a microscope Raelynn sees Kevin as emotionally unavailable among other subpar labels and in her eyes her marriage becomes that which would be favorable only to a money hungry therapist What's worse is that her dearest friends seem to be reveling in above average relationships namely her best friend whom Raelynn has envied for as long as she can remember After Raelynn makes a birthday wish seemingly tying a knot at the end of her rope in a desperate plight to wish herself out of her misery and alienation she realizes the next morning that she should have been more careful with what she wished for **No Fail**
