magician had to undergo many months of prayer meditation fasting purification abasement and a period of complete sequestration Another version of this working recently published had the working last for eighteen months with three months of sequestration Many magicians attempted this arduous task some succeeded and some failed This working was typically beyond the means and resources of your average magician This was the challenge to achieve the knowledge and conversation with their Holy Guardian Angel However Frater Barrabbas took this challenge and used it to forge a whole new magical ordeal He decided to base it on a lunar cycle instead of a solar cycle crafting an ordeal that could be accomplished in seven weeks with three days of sequestration thus making its performance more practical Frater Barrabbas sought to create a powerful series of magical workings to produce the promised transfiguration state and manifest one's Holy Guardian Angel He used invocations of the four Seraphim and Cherubim in four weeks along with the Element Godhead to produce a holy tabernacle of godhead and angelic intelligence He chose a revised version of the Bornless or Headless One invocation rite of Golden Dawn fame as the apex He plumbed the Greek Magical Papyri to extract three more rituals to add to the Bornless rite These rituals and more he has written into a book including the diary entries where he performed this working back in 2009 to validate it This lore and instruction are encapsulated in Abramelin Lunar Ordeal a unique and profound contribution to the art of ritual magic The Sacred Magic of Abramelin is now available using a new concise paradigm **The Atum-Re Revival** Melusine Draco,2013-04-26 An interest in the magic religion and spirituality of the ancient Egyptians continues to increase steadily as people begin to realise that it is possible to follow this ancient tradition in the 21st century The Egyptian religion is the oldest recorded belief system in the world having just entered its sixth millennium and it still can still teach us how to live today in both earthly and cosmic harmony
