Magic Of The Moon Shagun Chauhan, 2022-02-08 The stunning poetry collection from Shagun Chauhan Magic of the moon will take you into the life of a girl whose every poem will feel like home to you and the words will amaze you Some poems revolve around the moon who is her only companion and how every phase of her life throws her into the pit of suffering and how she learns to smile through the pain which is an inspiring journey altogether *Aliceheimer's* Dana Walrath, 2016-04-15 Alice was always beautiful Armenian immigrant beautiful with thick curly black hair olive skin and big dark eyes writes Dana Walrath Alice also has Alzheimer's and while she can remember all the songs from The Music Man she can no longer attend to the basics of caring for herself Alice moves to live with her daughter Dana in Vermont and the story begins Aliceheimer's is a series of illustrated vignettes daily glimpses into their world with Alzheimer's Walrath's time with her mother was marked by humor and clarity With a community of help that included pirates good neighbors a cast of characters from space time travel and my dead father hovering in the branches of the maple trees that surround our Vermont farmhouse Aliceheimer's let us write our own story daily a story that in turn helps rewrite the dominant medical narrative of aging In drawing Alice Walrath literally enrobes her with cut up pages from Alice's Adventures in Wonderland She weaves elements from Lewis Carroll's classic throughout her text using evocative phrases from the novel to introduce the vignettes such as Disappearing Alice Missing Pieces Falling Slowly Curiouser and Curiouser and A Mad Tea Party Walrath writes that

creating this book allowed her not only to process her grief over her mother's dementia but also to remember the magic laughter of that time. Graphic medicine she writes lets us better understand those who are hurting, feel their stories, and redraw and renegotiate those social boundaries. Most of all, it gives us a way to heal and to fly over the world as Alice does. In the end, Aliceheimer's is indeed strangely and utterly uplifting.
