Hypnosis Between Science and Magic Isabelle Stengers, 2024-11-14 What if judgment returned to the craft of magic How would that relieve the burdens of critique and realign its priorities These questions regarding the value of magic to thinking are at the very heart of the acclaimed philosopher of science Isabelle Stengers political and philosophical thought and her insistence that the smoke of the burned witches still hangs in our nostrils Now in the first English translation of this classic text Hypnosis Between Science and Magic provides an entry point to the work of Isabelle Stengers who has so originally and forcefully shifted how we think about the history of ideas The book focuses in on an area of her thought that has recurred

throughout her career the presumed antagonism between magic and science and especially the evacuation of magic from all that is thought to be scientifically valid [The Complete Introduction to Magic](#) Julius Evola, The UR Group, 2023-10-31 All three volumes of the occult classic available together as a deluxe boxed set for the first time Volume I includes translations of rare texts alongside rites practices and arcane magical knowledge Volume II offers studies of mystery traditions throughout history and shares authentic initiatic wisdom and a rigorous selection of initiatory exercises Volume III explores esoteric practices for individual development and realization of immortal and divine potential handed down from a primordial tradition In 1927 Julius Evola and other leading Italian esotericists formed the mysterious UR group The purpose of this group was to study and practice ancient rituals from the mystery traditions of the world both East and West They produced a monthly journal containing techniques for spiritual realization initiatory exercises magical rites accounts of personal experiences translations of ancient texts and original essays on the occult Many years later in 1971 Evola gathered these essays into three volumes Available together as a deluxe boxed set for the first time in English these volumes present the steps necessary to purify the soul with the light of knowledge and the fire of dedication as well as allowing the reader to be liberated from conventional dogmas religious political scientific and psychological and see with the clearer eye of realization
