**Speaking in the Past Tense** Herb Wyile, 2009-10-22 *Speaking in the Past Tense* participates in an expanding critical dialogue on the writing of historical fiction providing a series of reflections on the process from the perspective of those souls intrepid enough to step onto what is practically by definition contested territory Herb Wyile from the Introduction The extermination of the Beothuk the exploration of the Arctic the experiences of soldiers in the trenches during World War I the

foibles of Canada's longest serving prime minister the Ojibway sniper who is credited with 378 wartime kills these are just some of the people and events discussed in these candid and wide ranging interviews with eleven authors whose novels are based on events in Canadian history These sometimes startling conversations take the reader behind the scenes of the novels and into the minds of their authors Through them we explore the writers motives for writing the challenges they faced in gathering information and presenting it in fictional form the sometimes hostile reaction they faced after publication and perhaps most interestingly the stories that didn't make it into their novels Speaking in the Past Tense provides fascinating insights into the construction of national historical narratives and myths both those familiar to us and those that are still being written

The Magical Costume AQEEL AHMED, 2023-09-19 Summary about this story Tommy was a young boy who was active and creative He lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by hills and forests that looked beautiful in the fall Pumpkin Hollow was known for its beautiful scenery especially during Halloween when the line between the real world and the magical was thinner and amazing things could happen Tommy has always loved Halloween so he was looking forward to the night when the ordinary becomes extraordinary The people in the town had a

great time celebrating Halloween They decorated their homes with scary decorations put happy pumpkins on their doorsteps and baked pumpkin pies that filled the air with their smell As October got closer the joy was clear and Tommy s heart was full of eagerness While looking through his grandparents attic one sunny afternoon Tommy found an old dusty box hidden among things that had been forgotten He found a ghostly white dress with silvery threads that sparkled in the dim light The dress was made of many layers of fabric and thought When he put it on the fabric seemed to fit him perfectly making him look almost like a ghost Tommy liked how mysterious the outfit made him feel so he kept it for himself He had no idea that this choice would make Halloween night the scariest one of his lives As the sun went down on Halloween night Tommy wore the great outfit and walked into a changed Pumpkin Hollow Children dressed as everything from evil ghouls to friendly witches marched through the streets which were lit up with lanterns and filled with scary music Tommy who was now a real ghost walked around town People were amazed by what they saw and couldn t believe what they were seeing On his way he stopped in the town square where he saw ghostly creatures dancing in the moonlight He joined their airy dance and felt like he had never felt before As word spread about the mystery ghost kids and adults gathered to hear Tommy talk about his trips to the spirit world His words made amazing pictures come to mind taking the listener on a trip to where he had been While it was still early in the night Tommy s spirit friends took him on a thrilling trip through Pumpkin Hollow They went into the scary forest where the bent trees cast strange shadows and ghostly animals hid in the dark The woods seemed full of magic and secrets that were just ready to be found out They found the famous Whispering Willow a tree that people say makes dreams come true on Halloween night Tommy told the tree his most sincere Halloween wish and the tree gave him lots of sweets and treats in return That night they had more adventures like when they found a secret cave full of sparkling crystals met a friendly black cat who led them through pumpkin patches and danced with the spirits Tommy was sad when the clock struck midnight which meant Halloween was over because he knew it was the end of his time as a real ghost With tears in his eyes he went back to his grandparents attic where the miraculous outfit was carefully kept Tommy was sure it would be there for him the next time he went out for Halloween In the years that followed people loved to tell stories about what Tommy did on Halloween in Pumpkin Hollow He kept wearing the magical shirt which had become a sign of his connection to the magical world of the town Tommy became known as the Pumpkin Hollow Halloween legend and kids came from all over to hear his stories This kept the magic alive Every year the costume gave him another night of wonder and reminded everyone that Halloween was a time when the world was full of secrets for those with open minds and a spirit of adventure As the years went by Tommy was still a respected figure in Pumpkin Hollow He was a living legend who embodied the spirit of the holiday The town kept having fun on Halloween and Tommy s stories made new generations think that the holiday could be magical So the story of Tommy the boy who once turned into a real ghost on Halloween night shone as brightly as the lights that lined the streets The magic of Halloween and the spirit of the costume lived on making new generations wonder and

come up with new ideas Here s how the story starts Once upon a time a young boy named Tommy lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by red orange and gold colored hills and forests Pumpkin Hollow was a magical place where each season had its own special charm but the town really came to life during Halloween Pumpkin Hollow seemed to have a special connection to the mysterious and supernatural This connection grew stronger as October got closer making the air full of excitement Tommy was a boy who was always interested and full of wonder His family had lived in Pumpkin Hollow for many generations and ever since he could walk he was interested in the stories about Halloweens past Pumpkin carving events hayrides through the woods at night and the famous Pumpkin Hollow Parade have been around for many years Every year he was excited for October to come because he knew it would bring him new activities and the chance to live in a town that was known for its Halloween parties As September turned into October Pumpkin Hollow changed The cold autumn air smelled like dropping leaves apples and a little pumpkin spice Trees that used to be green now wore red and gold robes and the wind made the leaves rustle like whispers Pumpkins of different sizes each turned into a happy jack o lantern with a burning light inside were left on people s doorsteps But Pumpkin Hollow wasn t just different because it changed on the outside It was the atmosphere the feeling that the air itself was magical Tommy could feel it and he and his friends spent their afternoons looking for buried treasures and secrets in the town s nooks and crannies that seemed just out of reach Tommy s family lived in a nice house that was hidden in an old oak wood on the edge of town His bedroom window looked out on a forest that was right next to Pumpkin Hollow He would often spend hours staring out the window and thinking about what was beyond the tree line It was a beautiful place with fireflies that danced at night and owls that hooted at the moon While looking through his grandparents attic one sunny afternoon Tommy found an old dusty trunk hidden under a pile of lost treasures He carefully opened the trunk and showed off a collection of old outfits with a gleam in his eye There were ragged pirate hats beautiful dresses with lace and silk and superhero capes in bright colors In all the layers of fabric and ideas one outfit stood out a ghostly white dress with silvery lines that seemed to shine in the dim attic light Tommy s heart skipped a beat as he reached out to touch it He liked the way the fabric felt and when he put it on it seemed to fit his small frame exactly When he looked in the broken mirror in the attic he saw himself as a real ghost He was almost clear and had a wispy ghostly look Tommy was curious and confused so he decided to keep the suit for himself It seemed to invite him into a world full of magic and exciting things to do He didn t know that what he did would lead to the scariest Halloween night of his life

Anne Terlinden,1990 The purpose of this book is to shed light on the rather unexplored English facet of Fernando Pessoa considered one of the major Portuguese poets of the twentieth century The originality of this study also lies in its extensive use of unpublished documents Out of the bulk of Pessoa s English writings The Mad Fiddler has been selected it offers not only poems of better quality than most of his writings in English but it also has the advantage of being a complete and coherent suite of mystical poems A systematic comparative study of the themes in The Mad Fiddler and in the poems by the four Portuguese heteronyms reveals a clear continuity and shows that Pessoa s bilingual Poetry is based on his main ontological quest which he tried to solve by means of his dramatic scattering into masks After this comparative analysis the individuality of The Mad Fiddler is defined Following an overview of the unpublished English writings found in the Pessoaan legacy The Mad Fiddler is analysed by means of Pessoa s own unpublished comments An investigation of Pessoa s private French library and of his unpublished Literary Appreciations proves how fully he understood the impact of Symbolism on the evolution of Modern Art The Mad Fiddler could indeed be viewed as an English echo of Pessoa s interest in modern trends in Literature and as a kind of English microcosm of Pessoa s aesthetic theory      *Book Review Index* ,2004 Every 3rd issue is a quarterly cumulation      *Mystery of Hidden Lake* Brandon Rowell,2024-12-19 When an eerie mist blankets Mystwood and strange happenings unsettle its creatures Elara Liam and Patch are called back to uncover the source of the disturbance Their search leads them to Hidden Lake a secluded shimmering body of water at the heart of the forest that seems to hold secrets as deep as its crystal clear depths Guided by the cryptic warnings of the wise old owl and the gentle whispers of the lake s enchanted ripples the trio must navigate perilous currents unravel ancient legends and solve puzzles left behind by Mystwood s earliest guardians Along the way they encounter new friends like the elusive water nymphs and face unexpected challenges including a mysterious figure determined to exploit the lake s magic for their own gain As they delve deeper into the lake s mysteries the children uncover a powerful secret tied to Mystwood s survival a truth that forces them to make a daring choice one that could restore balance to the forest or risk losing its magic forever *Mystery of Hidden Lake* is a captivating adventure filled with discovery friendship and the enduring power of nature s wonders perfect for young readers who delight in magical mysteries and tales of courage      **Lake of the Old Uncles** Gerard Kenney,2008-06-09 *Lake of the Old Uncles* recounts a trip that began three quarters of a century ago in a small village inn nestled in the Laurentian hills of French speaking Quebec One day the trip will end at the village cemetery just one kilometre from the inn The traveller is the author The trip is not long but is rich in rural and natural experiences along the way Gerard Kenney takes us along the route that led him to build the lone log cabin on the small and inaccessible Lake of the Old Uncles No roads reach the pond only a footpath The hours spent in the quietude of the forest cabin have had an effect on the author that has resulted in a personal philosophy both rural and natural inspired by his hero Henry David Thoreau Gerard Kenney shares with his readers the

evolution of his philosophy through his personal experiences with people and with the wilderness flora and fauna he has encountered on his life's journey
