Magicians Lover:

The Magician's Lover Flora Speer, 1998 From the author of *Heart's Magic* and *A Time to Love Again* comes the magical tale of a love that casts a spell on a sorcerer and an astronomer's daughter *Love Spells and Lost Treasure* Tabitha Stanmore, 2022-12-22 Magic is ubiquitous across the world and throughout history Yet if witchcraft is acknowledged as a persistent presence in the medieval and early modern eras practical magic by contrast performed to a useful end for payment and actually more common than malign spellcasting has been overlooked Exploring many hundred instances of daily magical usage and setting these alongside a range of imaginative and didactic literatures Tabitha Stanmore demonstrates the entrenched nature of service magic in premodern English society This she shows was a type of spellcraft for needs that nothing else could address one well established by the time of the infamous witch trials The book explores perceptions of magical practitioners by clients and neighbours and the way such magic was utilised by everyone from lowliest labourer to highest lord Stanmore reveals that even if technically illicit magic was for most people an accepted even welcome aspect of everyday life

Love Magic and Control in Premodern Iberian Literature Veronica Menaldi, 2021-07-29 This book explores the complexity of Iberian identity and multicultural multi religious interactions in the Peninsula through the lens of spells talismans and imaginative fiction in medieval and early modern Iberia Focusing particularly on love magic which manipulates objects celestial spheres and demonic conjurings to facilitate sexual encounters Menaldi examines how practitioners and victims of such magic as represented in major works produced in Castile Magic and love magic in particular is an exchange of knowledge a claim to power and a deviation from or subversion of the licit practices permitted by authoritative decrees As such magic serves as a metaphorical tool for understanding the complex relationships of the Christian with the non Christian In seeking to understand and incorporate hidden secrets that presumably reveal how one can manipulate their environment occult knowledge became one of the funnels through which cultures and practices mixed and adapted throughout the centuries

Love Cures Laine E. Doggett, 2012-04-30 What is love Popular culture bombards us with notions of the intoxicating capacities of love or of beguiling women who can bewitch or heal to the point that it is easy to believe that such images are timeless and universal Not so argues Laine Doggett in *Love Cures* Aspects of love that are expressed in popular music such as love is a drug sexual healing and love potion number nine trace deep roots to Old French romance of the high Middle Ages A young woman heals a poisoned knight A mother prepares a love potion for a daughter who will marry a stranger in a faraway land How can readers interpret such events In contrast to scholars who have dismissed these women as fantasy figures or labeled them witches Doggett looks at them in the light of medical and magical practices of the high Middle Ages *Love Cures* argues that these practitioners as represented in romance have shaped modern notions of love *Love Cures* seeks to engage scholars of love marriage and magic in disciplines as diverse as literature history anthropology and philosophy
