Nowmillennial Dispensationalism Steve Urick, 2009-09-28 The topic of the millennial kingdom of Christ though not as crucial as some Bible doctrines is nevertheless an important teaching that affects many Scripture passages Nowmillennial Dispensationalism a new term coined by the author takes a fresh look at and gives clear answers to the millennial controversy that has many students of Bible prophecy confused and or divided today This work is the result of much discussion Bible study and careful comparison of the various millennial views with an objective evaluation of each side In the end the reader will be left to choose between only two possible views Premillennialism and Nowmillennialism **American Christians and Islam** Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other

Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world American Christians and Islam is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today

The Church of the Beyond, vol. 1: The Gospel of the Kingdom Benjamin Hoogterp, 2012-01-11 Then they will deliver you to tribulation and will kill you and you will be hated by all nations because of My name At that time many will fall away and will betray one another and hate one another Many false prophets will arise and will mislead many Because lawlessness is increased most people's love will grow cold But the one who endures to the end he will be saved This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations and then the end will come Matthew 24:9-14 There is coming a day burning hot like an oven that will not relent It will divide and separate the wheat from the chaff and provoke Israel to jealousy In that day one will say to the other let us return unto the Lord for perhaps He may still have pity upon us To all who would hear it is time that judgement begin at the House of the Lord and to declare the Kingdom of God is at hand

Rise of the Assyrian Russell Redden, 2012-04-14 This book is a comprehensive analysis of Biblical prophecy in light of Scriptures ignored by many teachers of Eschatology today Isaiah Jeremiah Ezekiel and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon modern day Iraq This book presents Biblical evidence that the Antichrist will rise from this land and temporarily establish a new Islamic empire in the Middle East This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea the West Bank according to Bible prophecy Learn how the predicted outcome of the Israeli Palestinian dispute of the holy land perfectly reflects unique events of modern history including the rise of radical Islam Third edition

Hope in the Last Days Dave Williams, 2017-05-02 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied

long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ [The Revelation Commentary](#) Dennis James Woods,2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn't need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It's the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that's wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come **Ezekiel and Eschatological Violence** Alicia R. Jackson,2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence **Narrative of the Last Days** Theodosius Katzir,2015-05-28 The chronology of prophetic events is detailed here in a manner that has never been outlined before The events unfold one after another just as they are written in the Bible The books of Daniel and Revelation and passages from Ezekiel Isaiah Jeremiah Zechariah Matthew and Paul's epistles fit in to make the end time scenario very vivid The timelines show what is about to happen You will find the answers to questions such as When is the rapture of the Church and the Second Coming of Jesus Christ What connection has the current rise of terrorism with the last days Is America in prophecy Then you will read in detail the coming Gog's war against Israel and how GOD defends his chosen people You will know the identity of the revived Roman Empire and find a new interpretation of the Great Tribulation And finally you will feel the drama of the return of Jesus King of kings and

Lord of lords **A Prophecy of Empire** Christopher J. Bonura,2025 The Apocalypse of Pseudo Methodius was one of the medieval world s most popular and widely translated texts Composed in Syriac in Mesopotamia in the seventh century this supposed revelation presented a new salvific role for the Roman Empire whose last emperor it prophesied would help bring about the end of the ages In this first book length study of Pseudo Methodius Christopher J Bonura uncovers the under appreciated Syriac origins of this apocalyptic tract revealing it as a remarkable response to political realities faced by Christians living under a new Islamic regime Tracing the spread of Pseudo Methodius from the early medieval Mediterranean to its dissemination via the printing presses of early modern Europe Bonura then demonstrates how different cultures used this new vision of empire s role in the end times to reconfigure their own realities The book also features a new complete and annotated English translation of the Syriac text of Pseudo Methodius **Death Is at Your Door Are You Ready?** Randy Thomas,2007-08-01 If only death were that simple wouldn t we all live differently if we knew exactly when death would come knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death s visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope The Prophets Lonnie Martin,2017-06-19 This is the Prophets part of The Word of Elohim It s the real name for the Old Testament The Bible is really 2 volumes The Word of Elohim God and the Testimony of Yeshua This would print out in typical book format into 4 good sized volumes The Word of Elohim is either the Old Testament text or spoken or the person of Yeshua Jesus period So to be precise this is the Prophets portion of the Gabriel Bible version of The Word of Elohim So every Bible contains The Word of Elohim the translators just don t seem to know it The Bible is the Word of Elohim AND the Testimony of Yeshua COMBINED See Revelation 1 2 9 Of the verses in this version you would be hard pressed to find any verse other than perhaps the most basic exactly like that of any other version My New Testament is also finished Yeshua and His followers never said anything about an Old Testament He always referred to it as either The Word of Elohim Aloha in His native Aramaic or the Scriptures Dateline Jerusalem Zola Levitt,2005-01-01 From keen insights into media bias to Israel s proper role in world affairs Dateline Jerusalem is packed with hard hitting analysis plus new and startling information What is the Palestinian agenda Will Israel survive in today s hostile climate Can America win the war on terror What end times events are around the corner After giving his own testimony Zola devotes chapters to the Jews Muslims Palestinians the government media education churches End Times and questions and answers Look Out Jim Zeigler,2021-08-01 There are

four chapters in the Bible where Satan's influence is not seen These are Genesis One and Two which occur before the fall of man and Revelations twenty one and 21 which describe the glories of the Millennial Kingdom and Heaven after Satan is cast into the Lake of Fire Jesus is the First and the Last the Beginning and the End and thus knows the complete world history past present and future until time ends Since creation Satan has constantly been battling against God to overthrow His control of the earth and mankind This battle will not end until Satan is defeated and judged by being cast into the lake of fire for eternity In the meantime he battles to gain control of God's creation and place himself as the God of this world Signs of the Second Coming of Jesus Christ and the End of the World Steve Urick,2009-09-03 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ God has not left us in the dark concerning the details of Christ's future coming but has given us several clear prophetic signs to watch for Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age If you ever wondered why the world is the way it is and where it is headed then you need to read this book Whether you are a Christian or not this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself this book gives much historical information compares worldviews and provides several charts for a better understanding of historical developments **Mysteries Revealed** ,Migs,2023-02-09 This book is going to inspire generations to come It will wake us all up from all the deceit and lies colleges seminaries and churches have been teaching and give you sound doctrine in the times of the worst in history since the days of Noah and Lot Migs drains the swamp by showing us all how to rely on God's Words not the messengers and pastors who have taught doctrines of devils for centuries 80 percent truth with 20 percent imagination lies and allegories just won't cut it in these times of tribulation the church is going through now It's time to wake up ride out the storm and rise up mighty warriors Those who have ears let them hear and those who have eyes let them see In Daniel it is said there is a great awakening and a gathering and today's times in this book will set us straight This book is an in depth look at the Bible like you have never seen before It will show you how to read a Bible in context and illuminate the conjecture and controversy because the Bible never contradicts itself in the correct version There is coming a day in Amos 8:11-12 that says you will seek the Word but not find it With AI and quantum computers and all these Bible versions you are just about at that point Mysteries Revealed is something every Christian should embrace and with all readiness of mind search the Scriptures daily Read Acts 17:11 while you still have a chance Last call for alcohol BECAUSE the bar is closing LOL no last call for you to edify saints and see souls saved with TRUTH and be ye not ignorant my brethren **The Return Of The King** Jeff Kluttz,2009-03-04 The Return of The King ROTK is a detailed timeline of end time events as prophesied in the Bible Unlike some works of this nature ROTK is written to a non technical audience providing full definitions of all theological terms used in the book It is written by a minister of over 20 years who is accustomed to breaking complicated theological content down for its simplest

digestion ROTK is written from a premillennial perspective which understands scripture to be literal in nature and prophecy to be interpreted via normal and customary interpretational methods rather than being relegated to symbolic in its nature ROTK is also written in conjunction with the ROTK Teacher s and Student s editions which can be obtained for teaching the biblical study of eschatology end time events in a classroom setting For more information and excerpts from this work visit the author s blog at www.returningking.com *The Strange Story of Sampson (Evidence of Divine Authorship)* Richie Cooley,2019-07-27 This booklet tells the story of Sampson from the book of Judges emphasizing Messianic prophecies and eschatological applications **Gene Roddenberry's Andromeda: Through the Looking Glass** Josepha Sherman,2005-05-26 Suddenly Captain Dylan Hunt isn t himself Our heroes were travelling in deep space navigating the Andromeda through a maze of space anomalies and wormholes when a surprise attack by an unidentified fleet of ships forced them into a space anomaly they could not avoid Suddenly the crew finds themselves in another dimension The Dylan they know is gone his place taken by a green skinned cold logical Nietzschean Dylan who s more reptilian than human The crew must band together and choose between an act of obedience or an act of mutiny as they follow a dangerous course into deeper space with an alien captain they cannot trust Meanwhile Dylan finds himself on a very different Andromeda in another dimension His new crew is comprised of green skinned reptilians engaged in a deadly conflict with rebels who would have been in Dylan s original dimension the civilization he has tried to restore His entire alien crew seems to be involved in a vast interstellar conquest one that he must stop The Captain realizes he must resolve a conflict in which his royalties are torn and somehow get back to his original dimension Can Dylan survive his alien ship The decisions both Andromeda crews and captains make will affect not only them their choices may cause ripple effects that save or destroy both dimensions At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
