woman on a run in Seattle experiences a shooting star moment that pierces her with a love that will eventually help heal the Jesuit the angry young man and innumerable others The journeys of this unintentional menagerie carry them to the healing lands of Montana and a newly founded community where nothing tastes better than Maker s Mark mixed with glacier ice and nothing seems less likely than the soul filling delight a troupe of spiritual refugees urban sophisticates road weary musicians and local cowboys begin to find in each other s company With Sun House David James Duncan continues exploring the American search for meaning and love that he began in his acclaimed novels The River Why and The Brothers K
