young Tom Shanaghy made one too many enemies he skipped town on a fast moving freight He landed in a small Kansas town that had big dreams no name and the need for an honest lawman Tom figured that a knuckle and skull man from Five Points would be perfect for the job He didn t know that a high stakes cattle drive was headed his way and that leading it was a vindictive rancher bent on settling an old score even if he had to destroy the town to do it Tom had himself stuck in the middle of the feud before sunset on his first day in town All he could do was hope that his years on the Bowery had left him with the smarts he needed to keep himself alive **Representing the National Landscape in Irish Romanticism** Julia

M. Wright,2014-04-22 Ireland is a country which has come to be defined in part by an ideology which conflates nationalism with the land From the Irish Revival s celebration of the Irish peasant farmer as the ideal Irishman to the fierce history of land claim battles between the Irish and their colonizers notions of the land have become particularly bound up with conceptions of what Ireland is and what it is to be Irish In this book Wright considers this fraught relationship between land and national identity in Irish literature In doing so she presents a new vision of the Irish national landscape as one that is vitally connected to larger geographical spheres By exploring issues of globalization international radicalism trade routes and the export of natural resources Wright is at the cutting edge of modern global scholarly trends and concerns In considering texts from the Romantic era such as Leslie s Killarney Edgeworth s Limerick Gloves and Moore s Irish Melodies Wright undercuts the nationalist myth of a people of the soil using the very texts which helped to construct this myth Reigniting the field of Irish Romanticism Wright presents original readings which call into question politically motivated mythologies while energizing nationalist conceptions that reflect transnational networks and mobility **Canadian Year**
