Aristide Maillol and refugees from Stalinist gulags and German concentration camps With touching and comic nuance she conveys the ties that bind language to survival identity experience and social acceptance and condemnation She recalls the weeping and fist shaking amid mysterious Russian in her family's kitchen her heartbroken whispers in forbidden German to her teddy bear and her resolve during the voyage to America to act as French ambassador to the New World She gives a delectable recounting of her first day of school in Paris the nasal vowels and swallowed consonants of the strange language flowing over her in a bath of bewilderment As associations prompt her Schueler breaks off the thread of her narrative to ponder later events for example visiting her married daughter in Morocco trips to Russia and China and breast cancer's lessons in both the curtailment and deepening of vitality Thus in aptly wandering style she comes full circle in her telling often closing the gaps in early recollections with insights gained years afterward Elsewhere will draw readers into a delightful intimacy with the author as they follow her suspenseful passage from impressionable childhood through vibrant youth to graceful maturity to finding home at last in New Orleans

**The Opposite Field** Jesse Katz, 2010-07-13 Here is one of the most remarkable ambitious and utterly original memoirs of this generation a story of the losing and finding of self of sex and love and fatherhood and the joy of language of death and failure and heartbreak of Los Angeles and Portland and Nicaragua and Mexico and the shifting sands of place and meaning that can make up a culture or a community or a home Faced with the collapse of his son's Little League program consisting mostly of Latino kids in the largely Asian suburb of Monterey Park California Jesse Katz finds himself thrust into the role of baseball commissioner for La Loma Park Under its lights the yearnings and conflicts of a complex immigrant community are played out amid surprising

moments of grace Each day and night becomes a test of Jesse s judgment and adaptability and of his capacity to make this peculiar pocket of L A s Eastside his home While Jesse soothes egos brokers disputes chases down delinquent coaches and missing equipment and applies popsicles to bruises he forms unlikely alliances commits unanticipated errors and receives the gift of unexpected wisdom But there s no less drama in Jesse s complicated personal life as he grapples with a stepson who seems destined for trouble comforts his mother a legendary Oregon politician when she s stricken with cancer and receives hard lessons in finding and holding on to the love of a good woman Through it all Jesse s emotional mainstay is his beloved son Max who quietly bests his father s brightest hopes Over nine springs and summers with Max at La Loma Jesse learns nothing less than what it takes to be a father a son a husband a coach and ultimately a man This is an epic book a funny book a sexy book a rapturously evocative and achingly poignant book Above all it is true in that it happened but also in a way that transcends mere facts and cuts to the quick of what it means to be alive     **Aristide Maillol.
