Literary Awards Finalist *A Good Man with a Dog* follows a game warden's adventures from the woods of Maine to the swamps of New Orleans. Follow along as he and his canine companions investigate murder, search for missing persons, and rescue survivors from natural disasters. This is a memoir that reads like a true crime novel. Roger Guay takes readers into the patient, watchful world of a warden catching poachers and protecting pristine wilderness, and the sometimes CSI-like reconstruction of deer and moose poaching scenes. When Guay's father died in a tragic fishing accident, a kind game warden helped him through the loss. Inspired by this experience as well as his love of the outdoors, he became a game warden. Guay searches for lost hunters and hikers. He estimates that over the years he has pulled more than two hundred bodies out of Maine's north woods. His frequent companion is a little brown Labrador retriever named Reba who can find discarded weapons, ejected shells, hidden fish, and missing people. *A Good Man with a Dog* explores Guay's life as he and his canine partners are exposed to terrible events, from tracking down hostile poachers to searching for victims of violent crimes, including a year-long search for the hidden graves of two babies buried by a Massachusetts cult. He witnessed firsthand FEMA's mismanagement of the post-Katrina cleanup efforts in New Orleans, an experience that left him scarred and disheartened. But he found hope with the support of family and friends and eventually returned to the woods he knew and loved from the days of his youth.

My Life In The Maine Woods Annette Jackson, 2016-10-27 *My Life in the Maine Woods* recounts Annette Jackson's North Woods experiences during the 1930s when she, her husband, and their children lived in a small cabin on the shore of Umbagog Lake. Jackson, an avid sportswoman and nature lover, writes of hunting, fishing, campfire cooking, and the sounds of the wilderness through the seasons. She visits trappers and woodsmen and tells what it's like to sleep on a bed of pine boughs under the stars that shine on the legendary Allagash.

Bigfoot in Maine Michelle Souliere, 2021 The dark woods of Maine have been the setting for many eerie and unexplained events, none more captivating than sightings of a giant hominid known as Bigfoot. But what makes this corner of New England such a perfect place for this cryptid to live? Learn about the ecology and geography that support the legend and meet the people forever changed by close encounters with it. From previously unpublished eyewitness accounts to modern-day media portrayals, author and illustrator Michelle Souliere presents this detailed history of the phenomenon and folklore that has lurked in shadows for generations.

George Magoon and the Down East Game War Edward D. Ives, 1993 George Magoon, 1851-1929, a notorious moose and deer poacher in Maine, was the hero of scores of funny stories of how he outwitted game wardens. Preserving these oral histories, Edward Ives documents Magoon's life and explores his significance as a folk hero within the context of the conservation movement, the cult of the sportsman, and Maine's increasingly restrictive game laws. A rich and subtle book, an important work by a major scholar. It is a major contribution to
