So why don't you try discover the American food culture in the cookbook **Hello 50 Maine Recipes**. Best Maine Cookbook Ever For Beginners with the parts listed below: 50 Amazing Maine Recipes. In this American cookbook series, I traveled in the Caribbean, Asia, Latin America, Europe, and North Africa to explore their food cultures. I am very much interested in the rising popularity of the so-called exotic cuisines. The curiosity of the Americans was really something worth supporting as they search outside the country for inspiration and sustenance. Travelling the world has been an awesome experience trying new dishes and gathering ideas and taking all these back home to try in my own kitchen. Then a newfound passion for local American food has occurred to me soon after I finished writing the American cookbook series. I was in the Pacific Northwest starting my book tour when I felt a spark burning inside me. I don't know if it was the perfectly grilled Copper River salmon season's first paired with a flowery and fruity Oregon Pinot Noir had to do with it. Or maybe the colorful Pacific oysters in Seattle's Pike Place market. Or it could be at Seattle's Dahlia Lounge where it's my first experience ever to sample a Kasu cod that has been caramelized. It's hard to know what it is, but that inspired me to write a U.S. cookbook.
