Bibliography on Inclusive Schools, 1994 New Focus, 1988 Finding Robert Robert J. Stevens, Catherine E. Stevens, MS, 2015-08-20 Diagnosed with attention deficit hyperactivity disorder oppositional defiance disorder and pervasive developmental disorder in the early 1990s Robert Stevens was an exceptionally intelligent child who could not function in a mainstream environment Being the problem child of every play group sports league and extracurricular activity he joined Robert had no friends no internal means of self control no off switch and as his parents Robert and Catherine Stevens were warned perhaps no real future Thinking it for the best Robert's parents did what the experts told them to do Despite having a remarkably high IQ Robert was placed in a special education program under a psychiatrist's care and on several powerful medications including Ritalin and Prozac Unfortunately nothing worked quite as intended and Robert suffered from nearly every side effect these drugs had to offer Robert's parents saw they were losing him Witnesses to Robert's drastic mood swings and anxious displays they did not know whether they were seeing their son or the results of the medications he was taking While initially helpful the special education class began to create its own world of problems with Robert taking a step backwards for each step forward Desperate the Stevens family turned to holistic therapies Amazingly Robert began to show improvement Wondering why their son's doctors had discouraged such strategies Robert and Catherine started researching new approaches on their own Using nontraditional approaches Robert was found By third grade he was off all medications attending a mainstream school making friends and simply being himself *Finding Robert* chronicles one family's journey through the world of developmental disorders It depicts the struggles faced examines the decisions made and offers a thorough analysis of the therapies utilized Amid sadness and confusion with strength and resolve Robert and Catherine regained their son and undertook a mission to change the way we look at these conditions *Handicapped Children and*

Mainstreaming James H. Hughes, 1985 **Ending Africa's Energy Deficit and the Law** Yinka Omorogbe, Ada Ordor, 2018-02-22 With the inclusion of access to energy in the sustainable development goals the role of energy to human existence was finally recognized Yet in Africa this achievement is far from realized Omorogbe and Ordor bring together experts in their fields to ask what is stalling progress examining problems from institutions catering to vested interests at the continent's expense to a need to develop vigorous financial and fiscal frameworks The ramifications and complications of energy law are labyrinthine this volume discusses how energy deficits can burden disabled people women and children in

excess of their more fortunate counterparts as well as considering environmental issues including the delicate balance between the necessity of water for drinking and cleaning and the use of water in industrial processes A pivotal work of scholarship the book poses pressing questions for energy law and international human rights

Deaf Children in Public Schools Claire L. Ramsey,1997 In this pioneering book Ramsey assesses the progress of three second grade deaf students by first pointing out that they were placed in two different environments with the general population of hearing students and separately with other deaf and hard of hearing children Her study reveals that although both settings were ostensibly educational inclusion in the general population was done to comply with the law not to establish specific goals for the deaf children In contrast self contained classes for deaf and hard of hearing children were designed especially to concentrate upon their particular learning needs This cohesive book offers educators scholars and parents a remarkable stage for assessing and enhancing the educational context for the deaf children within their purview

Teacher Attitudes Marjorie Powell,Joseph W. Beard,2018-06-12 Teachers attitudes have been a subject of study and interest for many years Originally published in 1986 this bibliography attempts to review the large field of research between the years 1965 and 1984 To identify all the sources of information and to list documents that discuss research on teachers attitudes It does not include an assessment of the quality of the research reported in the listed documents however the value is in its comprehensiveness Users of the bibliography can locate the listed studies and then evaluate the studies using criteria relevant to their individual purposes
