Maintaining Consensus The Canadian Jewish Polity In The Postwar World:

Maintaining Consensus Daniel J. Elazar, Harold M. Waller, Harold J. Waller, 1990 Maintaining Consensus Daniel Judah Elazar, Harold J. Waller, 1990 Canada's Jews Gerald Tulchinsky, 2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality Canada's Jews is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion Canada's Jews covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti-Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history **Catalog of the Gerald K. Stone Collection of Judaica** Gerald K. Stone, 2021-01-05 Gerald K Stone has collected books about Canadian Jewry since the early 1980s This volume is a descriptive catalog of his Judaica collection comprising nearly 6 000 paper or electronic documentary resources in English French Yiddish and Hebrew Logically organized indexed and selectively annotated the catalog is broad in scope covering Jewish Canadian history biography religion literature the Holocaust antisemitism Israel and the Middle East and more An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada An informative bibliographical resource this book will be of interest to scholars and students of Canadian and North American Jewish studies Ethnicity, Politics, and Public Policy Harold R. Troper, 1999-01-01 Ten essays on multiculturalism form a comprehensive picture of the problems and prospects of pluralism and mirror the nuanced issues which arise when theories and goals of cultural sensitivity confront real life **The Ever-Dying People?** Robert Brym, Randal F. Schnoor, 2023-02-27 Demise by assimilation or antisemitism is often held to be the inevitable future of Jews in Canada and other diaspora countries The Ever Dying People shows that the Jewish diaspora while often held to be in decline is influenced by a range of identifiable sociological and historical forces some of which breathe life into Jewish communities including Canada's Bringing together leading Canadian and international

scholars The Ever Dying People provides a landmark report on Canadian Jewry based on recent surveys censuses and other contemporary data sources from Canada and around the world This collection compares Canada s Jews with other Canadian ethnic and religious groups and with Jewish communities in other diaspora countries including the United States the United Kingdom France and Australia It also sheds light on social divisions within Canadian Jewry across cities sub ethnic groups denominations genders economic strata and political orientations These bases of comparison usefully explain variation in a wide range of sociological phenomena including ethnic identity religiosity acculturation intermarriage discrimination economic achievement and educational attainment **Like Everyone Else but Different** Morton Weinfeld,2018-03-21

Liberal democratic societies with diverse populations generally offer minorities two usually contradictory objectives the first is equal integration and participation the second is an opportunity within limits to retain their culture Yet Canadian Jews are successfully integrated into all domains of Canadian life while at the same time they also seem able to retain their distinct identities by blending traditional religious values and rituals with contemporary cultural options Like Everyone Else but Different illustrates how Canadian Jews have created a space within Canada s multicultural environment that paradoxically overcomes the potential dangers of assimilation and diversity At the same time this comprehensive and data driven study documents and interprets new trends and challenges including rising rates of intermarriage newer progressive religious options finding equal space for women and LGBTQ Jews tensions between non Orthodox and Orthodox Jews and new forms of real and perceived anti Semitism often related to Israel or Zionism on campus and elsewhere The striking feature of the Canadian Jewish community is its diversity While this diversity can lead to cases of internal conflict it also offers opportunities for adaptation and survival Seventeen years after its first publication this new edition of Like Everyone Else but Different provides definitive updates that blend research studies survey and census data newspaper accounts and articles and the author s personal observations and experiences to provide an informative provocative and fascinating account of Jewish life and multiculturalism in contemporary Canada *Transnational Identities and Practices in Canada* Vic

Satzewich,Lloyd Wong,2011-11-01 With contributions from some of Canada s leading historians political scientists geographers anthropologists and sociologists this collection examines the transnational practices and identities of immigrant and ethnic communities in Canada It looks at why members of these groups maintain ties with their homelands whether real or imagined and how those connections shape individual identities and community organizations How does transnationalism establish or transform geographical social and ideological borders Do homeland ties affect what it means to be Canadian Do they reflect Canada s commitment to multiculturalism Through analysis of the complex forces driving transnationalism this comprehensive study focuses attention on an important and arguably growing dimension of Canadian social life This is the first collection in Canada to provide a comprehensive and interdisciplinary examination of transnationalism It will appeal to scholars and students interested in issues of immigration multiculturalism ethnicity and settlement **A History of the**

Jews in the Modern World Howard M. Sachar, 2007-12-18 The distinguished historian of the Jewish people Howard M. Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of the Jews over the last four hundred years. Tracking their fate from Western Europe's age of mercantilism in the seventeenth century to the post-Soviet and post-imperialist Islamic upheavals of the twenty-first century, Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization, whether in the rise of economic capitalism or of political socialism, in the discoveries of theoretical physics or applied medicine, in higher literary criticism or mass communication and popular entertainment. As his account unfolds and moves from epoch to epoch, from continent to continent, from Europe to the Americas and the Middle East, Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history: among them, Jews of Sephardic provenance, the Moslem regions, and of Africa. By the same token, Sachar applies a master's hand in describing and deciphering the Jews' unique exposure and functional usefulness to totalitarian movements: fascist, Nazi, and Stalinist. In the process, he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust. A distillation of the author's lifetime of scholarly research and teaching experience, *A History of the Jews in the Modern World* provides a source of unsurpassed intellectual richness for university students and educated laypersons alike.

Social Discredit Janine Stiegel, 2000 In *Social Discredit*, Janine Stiegel exposes a crucial yet previously neglected part of Social Credit history: the virulent anti-Jewish campaign it undertook before, during, and after the Second World War. While most Canadians acknowledged the perils of race hatred in the wake of the Holocaust, Social Credit intensified its anti-Semitic campaign. By examining Social Credit's anti-Semitic propaganda and the reaction of the Canadian Jewish Congress, Stiegel details their mutual antagonism and explores why Congress was unable to stop Social Credit's blatant defamation. She argues that Congress's ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance. Stiegel shows that both Social Credit and Congress changed considerably in the post-war period: as Social Credit abandoned its anti-Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada. *Social Discredit* offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress, substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies.

Covenant & Polity in Biblical Israel Daniel J. Elazar, In this first volume of a trilogy, Daniel J. Elazar addresses political uses of the idea of covenant, the tradition that has adhered to that idea, and the political arrangements that flow from it. Among the topics covered are covenant as a political concept, the Bible as a political commentary, the post-biblical tradition, medieval covenant theory, and Jewish political culture.

The Defining Decade Harold Troper, 2010-09-17 The 1960s witnessed a radical transformation in the Canadian Jewish community. The erosion of longstanding barriers of anti-Semitism resulted in increased

access for Jews to the economic political and social Canadian mainstream Arguing paradoxically that even as Canada became more accepting Canadian Jews became more focused on Jewish identity The Defining Decade examines how the 1960s redefined what it meant to be a Canadian Jew and a Jewish Canadian Domestic events such as the Quiet Revolution the eruption of Neo Nazi activity the election of Pierre Elliot Trudeau and the promise of multiculturalism combined with international affairs such as the Six Day War Arab rejectionism with regards to Israel and the explosion of Soviet Jewish activism to radically reshape Canadian Jewish priorities In tracing the rapid changes of this tumultuous decade Harold Troper draws upon a wealth of historical documentation including more than eighty interviews to demonstrate that the expression of Canadian Jewishness was an increasingly public and political commitment [Reader's Guide to Judaism](#) Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **American Jewish Year Book 1995** ,1995 The Library owns the volumes of the American Jewish Yearbook from 1899 current *Authority, Power, and Leadership in the Jewish Polity* Daniel Judah Elazar,1991 An informative exploration of the Jewish polity from biblical times to the present **The Conservative Movement in Judaism** Daniel J. Elazar,Rela Mintz Geffen,2012-02-01 Viewing the Conservative Movement at a turning point this book analyzes the problems facing the religious movement with the largest synagogue membership in the American Jewish community and outlines a plan of action for the future Elazar and Geffen suggest clarifying ideology mission and purpose finding the right balance between traditionalists and advocates of change unifying movement institutions in a cooperative effort staunching the decline of membership to the left recapturing the loyalty of lapsed adherents closing the gap in observance between the laity and the standard bearers of the movement developing the Movement in Israel and world wide and strengthening ties with Jewish federations and other Jewish communal bodies The authors propose that the Conservative Movement s remedying of these problems will benefit not just American but all world Jewry **Studies in Contemporary Jewry** Peter Y. Medding,1992-12-17 The eighth volume of the acclaimed annual publication of the Institute of Contemporary Jewry at the Hebrew University of Jerusalem this volume focuses on the history and development of American Jewish life since World War II Contributions include A Golden Decade for American Jews 1945 1955 by Arthur A Goren American Judaism Changing Patterns in Denominational Self Definition by Arnold Eisen Value Added Jews in Postwar American Culture by Stephen J Whitfield The Postwar Economy of American Jews by Barry R Chiswick Jewish Migration in Postwar America The Case of Miami and Los Angeles by Deborah Dash Moore and All in the Family American Jewish Attachments to Israel by Chaim Waxman The volume also contains essays book reviews and a list of recent dissertations in

the field *Delayed Impact* Franklin Bialystok, 2000 In *Delayed Impact* Franklin Bialystok explores the evolution of the legacy of the Holocaust in the collective memory of the post war Canadian Jewish community He seeks to understand why the Holocaust's effect was relatively muted up to 1960 moved to the forefront with the rise of antisemitism in the 1960s and became a prominent concern and marker for Jewish ethnic identity after 1973 Bialystok begins by examining the years immediately following World War II showing that Canadian Jews were not psychologically equipped to comprehend the enormity of the Holocaust Unable to grasp the extent of the atrocities that had occurred in a world that was not theirs Canadian Jews were not prepared to empathize with the survivors and a chasm between the groups developed and widened in the next two decades He shows how the efflorescence of marginal but vicious antisemitism in Canada in the 1960s in combination with more potent antisemitic outrages internationally and the threat to Israel's existence led to an interest in the Holocaust He demonstrates that with the politicisation of the survivors and the maturation of the post war generation of Canadian Jews in the 1980s the memory of the Holocaust became a pillar of ethnic identity Combining previously unexamined documents and interviews with leaders in the Jewish community in Canada Bialystok shows how the collective memory of an epoch making event changed in reaction to historical circumstances His work enhances our understanding of immigrant adaptation and ethnic identification in a multi cultural society in the context of the post war economic and social changes in the Canadian landscape and sheds new light on the history of Canadian Jewry opening a new perspective on the effects of the Holocaust on a community in transition Franklin Bialystok is a part time lecturer in the Department of History at the University of Toronto and the University of Waterloo He has published numerous articles on the Holocaust in various journals and edited collections Constitutionalizing Globalization Daniel Judah Elazar, 1998 The gradual development of appropriate constitutional mechanisms and controls is part of a general shift from modern statism to postmodern federalism Reliance on the sovereignty of the nation state which marked the era from the Treaty of Westphalia in 1648 to the end of World War II gave way to the beginning of a world order that links states in various ways through enforceable constitutional bonds These trends have been recognized by students both of federalism and of international relations *Constitutionalizing Globalization* is the first book to join the perspectives of both in order to explain the new paradigm **Neither in Dark Speeches nor in Similitudes** Barry L. Stiefel, Hernan Tesler-Mabé, 2016-12-08 *Neither in Dark Speeches nor in Similitudes* is an interdisciplinary collaboration of Canadian and American Jewish studies scholars who compare and contrast the experience of Jews along the chronological spectrum ca 1763 to the present in their respective countries Of particular interest to them is determining the factors that shaped the Jewish communities on either side of our common border and why they differed This collection equips Canadian and American Jewish historians to broaden their examination and ask new questions as well as answer old questions based on fresh comparative data
