Wellbeing Champions: A Complete

Toolkit for Schools Alison Waterhouse, 2020-09-22 This book shows how to create a mentally healthy school by empowering young people to champion emotional wellbeing and positive mental health. It provides a practical toolkit to recruit and train Wellbeing Champions so that they can help to create an ethos and culture of positive mental health that ensures early access to the support and help needed. It explains how by focusing on emotions, self-care, resilience, communication and support systems, schools can identify what's working well and address areas for development. The detailed and user-friendly resources support every stage and include lessons and activities, supervision and training sessions, risk assessments, application forms, feedback forms and certificates. Wellbeing Champions is for primary and secondary schools who want to take a whole school approach to improve the wellbeing of both students and staff at KS2, KS3 and KS4. Emotional Literacy Alison Waterhouse, 2019-03-06 One of the five books in the Mental Health and Wellbeing Teacher Toolkit for teachers and other professionals working with children, this practical resource focuses on the topic of Emotional Literacy and how to support children and young people on a journey of self-discovery where they learn to recognise, understand, share and manage a range of emotions. Promoting a proactive rather than a reactive approach to dealing with the social and emotional aspects of learning and managing the world of today, Emotional Literacy addresses the increasing number of mental health issues arising among young people. Chapters span key topics including Recognising Emotions, Understanding Emotions, Self-Regulation and Empathy. This book offers easy-to-follow and flexible lesson plans that can be adapted and personalised for use in lessons or smaller groups or 1:1 work. Resources that are linked to the PSHE and Wellbeing curriculum for KS1, KS2 and KS3. New research: Circles for Learning where the introduction of baby observation into the classroom by a teacher is used to understand and develop self-awareness skills for learning, relationships, neuroscience and awareness of others. Sections on the development of key skills in communication skills for learning, collaboration, empathy and self-confidence. Learning links, learning objectives and reflection questions. Offering research-driven practical strategies and lesson plans. Emotional Literacy is an essential resource book for educators and health professionals looking to have a positive impact on the mental health and wellbeing of the children in their care both now and in the future. **Self-Discovery** Alison Waterhouse, 2019-04-01 One of the five books in the Mental Health and Wellbeing Teacher Toolkit, this practical resource focuses on how to support children and young people on a voyage of self-discovery as they learn to be their own best friend.
