Annual Bibliography of English Language and Literature ,1922 Includes both books and articles , Dylan Thomas Walford Davies,2014-04-15 This critical study covers the whole range of Dylan Thomas s writing both poetry and prose in an accessible appraisal of the work and achievement of a major and dynamic poet It interrelates the man and his national cultural background by defining in detail the Welshness of his poetic temperament and critical attitudes as both man and poet At the same time it illustrates Thomas s wide knowledge of and impact on the long and varied tradition of poetry in English In that connection it delineates and delimits Thomas s relationship to surrealism compares and contrasts his work with that of other poets of the 1930s and 1940s and shows how its power survives his early death in 1953 in the decade of the Movement poets and beyond A major aspect of this book is the close textual analysis of the works quoted it explores anew the recognition due to the man who wrote the work and helps us to separate the intrinsic achievement of the work from the foisted perceptions of the legend **Bibliography of Modern Hebrew Literature in English Translation** , **Keepers of the Code**

Robert Lecker,2013-01-01 Robert Lecker explores the ways in which these anthologies contributed to the formation of a Canadian literary canon the extent to which this canon was tied to an ideal of English Canadian nationalism and the material conditions accounting for the anthologies production *Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare* United States. The Alvarez Generation William Wootten,2020-12-04 This book is the biography of a taste in poetry and its consequences During the 1950s and 1960s a generation of poets appeared who would eschew the restrained manner of Movement poets such as Philip Larkin a generation who would in the words of the introduction to A Alvarez s classic anthology *The New Poetry* take poetry Beyond the Gentility Principle This was the generation of Thom Gunn Geoffrey Hill Ted Hughes Sylvia Plath and Peter Porter William Wootten explores what these five poets shared in common their connections critical reception rivalries and differences and locates what was new and valuable in their work *The Alvarez Generation* is an important re evaluation of a time when contemporary poetry and its criticism had a cultural weight it has now lost and when a new seriousness was to become closely linked to questions of violence psychic unbalance and most controversially of all suicide A new Afterword contains important biographical information on Sylvia Plath and reflects on its implications both for the discussions contained in the book and for the study of Plath s work more generally *The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800* George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have

contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

We Need to Talk Michael Theune, Bob Broad, 2017-10-24

We evaluate poems constantly as workshop leaders competition judges and journal editors But how do we judge the success of verse in these contexts The authors propose an innovative method by which anyone involved in the assessment of poetry can be more transparent about how they value verse This book foregrounds the ethical and professional obligations of poets teachers and critics to conduct axiological inquiry so they can discover and publish what they value We Need to Talk suggests why and how people who care about poetry should communally explore and document their shared and conflicting values This is the first book to provide the background and theory as well as a practical working model for the communal empirical evaluation of creative writing

Dudley Randall, Broadside Press, and the Black Arts Movement in Detroit, 1960-1995 Julius E. Thompson, 2005-02-15

In 1965 Dudley F Randall founded the Broadside Press a company devoted to publishing distributing and promoting the works of black poets and writers In so doing he became a major player in the civil rights movement Hundreds of black writers were given an outlet for their work and for their calls for equality and black identity Though Broadside was established on a minimal budget Randall s unique skills made the press successful He was trained as a librarian and had spent decades studying and writing poetry most importantly Randall was totally committed to the advancement of black literature The famous and relatively unknown sought out Broadside including such writers as Gwendolyn Brooks Margaret Walker Mae Jackson Lance Jeffers Etheridge Knight Sonia Sanchez Nikki Giovanni Audre Lorde and Sterling D Plumpp His story is one of battling to promote black identity and equality through literature and thus lifting
