Hugh Wilford

Noble Abstractions American Liberal Intellectuals And World War II:

Visions of Progress Doug Rossinow, 2009-11-19 Rossinow revisits the period between the 1880s and the 1940s when reformers and radicals worked together along a middle path between the revolutionary left and establishment liberalism. He takes the story up to the present showing how the progressive connection was lost and explaining the consequences that followed.

World War II and Mexican American Civil Rights Richard Griswold del Castillo, 2022-02-24 This historical study examines how Mexican American experiences during WWII galvanized the community's struggle for civil rights. World War II marked a turning point for Mexican Americans that fundamentally changed their relationship to US society at large. The experiences of fighting alongside white Americans in the military as well as working in factory jobs for wages equal to those of Anglo workers made Mexican Americans less willing to tolerate the second class citizenship that had been their lot before the war. Having proven their loyalty and Americanness during World War II, Mexican Americans began to demand the civil rights they deserved. In this book, Richard Griswold del Castillo and Richard Steele investigate how the wartime experiences of Mexican Americans helped forge their civil rights consciousness and how the US government responded. The authors demonstrate, for example, that the US government discovered Mexican Americans during World War II and began addressing some of their problems as a way of ensuring their willingness to support the war effort. The book concludes with a selection of key essays and historical documents from the World War II period that provide a first person perspective of Mexican American civil rights struggles.

Noble Abstractions Frank A. Warren, 1999 Noble Abstractions explores the meaning that World War II held for America's leading intellectuals among them Henry Wallace, Freda Kirchwey, and Thomas Amlie, who were politically committed to Franklin D. Roosevelt and the New Deal. Described by liberals as a democratic revolution and an international civil war between democracy and fascism, World War II, according to the liberals, promised far reaching domestic and international political, economic, and social change. Frank A. Warren focuses on both these large hopes and the political and moral dilemmas that resulted when they conflicted with Roosevelt's conduct of the war. Noble Abstractions makes a major contribution to the history of American liberalism by raising important questions about modern liberal intellectuals' willingness to invest political and moral capital in administrations that either do not share the same ideological commitments or are willing to sacrifice commitment to political expediency.

The CIA, the British Left and the Cold War Hugh Wilford, 2013-10-23 Shortly after it was founded in 1947, the CIA launched a secret effort to win the Cold War allegiance of the British left. Hugh Wilford traces the story of this campaign from its origins in Washington DC to its impact on Labour Party politicians, trade unionists, and Bloomsbury intellectuals.

A Companion to U.S. Foreign Relations Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of US foreign relations from the colonial period to the beginning of the 21st century. A Companion to US Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern

day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America s interactions with the world

Acts of Conscience Joseph Kip Kosek, 2011 In response to the massive bloodshed that defined the twentieth century American religious radicals developed a modern form of nonviolent protest one that combined Christian principles with new uses of mass media Greatly influenced by the ideas of Mohandas Gandhi these acts of conscience included sit ins boycotts labor strikes and conscientious objection to war Beginning with World War I and ending with the ascendance of Martin Luther King Jr Joseph Kip Kosek traces the impact of A J Muste Richard Gregg and other radical Christian pacifists on American democratic theory and practice These dissenters found little hope in the secular ideologies of Wilsonian Progressivism revolutionary Marxism and Cold War liberalism all of which embraced organized killing at one time or another The example of Jesus they believed demonstrated the immorality and futility of such violence under any circumstance and for any cause Yet the theories of Christian nonviolence are anything but fixed For decades followers have actively reinterpreted the nonviolent tradition keeping pace with developments in politics technology and culture Tracing the rise of militant nonviolence across a century of industrial conflict imperialism racial terror and international warfare Kosek recovers radical Christians remarkable stance against the use of deadly force even during World War II and other seemingly just causes His research sheds new light on an interracial and transnational movement that posed a fundamental and still relevant challenge to the American political and religious mainstream

FDR and the Spanish Civil War Dominic Tierney, 2007-07-02 Provides new understanding of Franklin Roosevelt s involvement in the Spanish Civil War

claiming that he was activist and pro Loyalist **Leon H. Keyserling** Donald K. Pickens,2009-09-03 Leon H Keyserling A Progressive Economist is the insightful biography of the life and thought of the influential liberal reformer Leon H Keyserling By examining Keyserling s life in the context of integrative liberalism the biography aims to explore the origins of the concept of integrative liberalism and Keyserling s profound and provocative contribution to it The book follows the political reformer s life from the beginning of his career as a member of Democratic Senator Robert Wagner s staff at the same time showing how the Progressive Movement before World War I was the ideological and institutional origin for integrative liberalism The Great Depression and subsequent New Deal to which Keyserling was a significant contributor allowed integrative liberalism to develop until the movement started losing vitality in the 1960 s and came to an end during the Reagan Presidency In the meantime the book presents Keyserling as a major sculptor of Truman s economic policies after which he left the government and began effectively debating public policy on his own Tracing Keyserling s interactions with each presidency the biography shows that Keyserling s policies and politics were expressive of integrated liberalism an often overlooked philosophy of reform in the second half of the twentieth century The ideological cornerstone of integrative liberalism was a full employment public policy expressed as economic growth and developed directly from United States history The fear driving the policy was that there would be wide swings in the business cycle resulting in underemployment and economic stagnation This sentiment and fear has an impact even now in the twenty first century making Leon H Keyserling a timely and profitable study for graduate and undergraduate students of history economics political science and public administration The World War Two Reader Gordon Martel,2004 This comprehensive reader provides an overview of research in the study of the Second World War and includes chapters by some of the best known and most innovative scholars working today It gives attention to the fighting of the war throughout the world *Blood and Ruins* Richard Overy,2023-04-04 Monumental A vast and detailed study that is surely the finest single volume history of World War II Richard Overy has given us a powerful reminder of the horror of war and the threat posed by dictators with dreams of empire The Wall Street Journal A thought provoking and original reassessment of World War II from Britain s leading military historian A New York Times bestseller Richard Overy sets out in *Blood and Ruins* to recast the way in which we view the Second World War and its origins and aftermath As one of Britain s most decorated and respected World War II historians he argues that this was the last imperial war with almost a century long lead up of global imperial expansion which reached its peak in the territorial ambitions of Italy Germany and Japan in the 1930s and early 1940s before descending into the largest and costliest war in human history and the end after 1945 of all territorial empires Overy also argues for a more global perspective on the war one that looks broader than the typical focus on military conflict between the Allied and Axis states Above all Overy explains the bitter cost for those involved in fighting and the exceptional level of crime and atrocity that marked the war and its protracted aftermath which extended far beyond 1945 *Blood and Ruins* is a masterpiece a new and definitive look at the ultimate

struggle over the future of the global order which will compel us to view the war in novel and unfamiliar ways Thought provoking original and challenging Blood and Ruins sets out to understand the war anew **Henry Wallace's 1948 Presidential Campaign and the Future of Postwar Liberalism** Thomas W. Devine, 2013 In the presidential campaign of 1948 Henry Wallace set out to challenge the conventional wisdom of his time blaming the United States and not the Soviet Union for the Cold War denouncing the popular Marshall Plan and calling for an end to segregation In addition he argued that domestic fascism rather than international communism posed the primary threat to the nation He even welcomed Communists into his campaign admiring their commitment to peace Focusing on what Wallace himself later considered his campaign's most important aspect the troubled relationship between non Communist progressives like himself and members of the American Communist Party Thomas W Devine demonstrates that such an alliance was not only untenable but from the perspective of the American Communists undesirable as well **America in the World** Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field **American Relief Aid and the Spanish Civil War** Eric R. Smith, 2013-10-17 The Spanish Civil War created a conflict for Americans who preferred that the United States remain uninvolved in foreign affairs Despite the country's isolationist tendencies opposition to the rise of fascism across Europe convinced many Americans that they had to act in support of the Spanish Republic While much has been written about the war itself and its international volunteers little attention has been paid to those who coordinated these relief efforts at home American Relief Aid and the Spanish Civil War tells the story of the political campaigns to raise aid for the Spanish Republic as activists pushed the limits of isolationist thinking Those concerned with Spain's fate held a range of political convictions including anarchists socialists liberals and communists with very different understandings of what fascism was Yet they all agreed that fascism's advance must be halted With labor strikes fund raising parties and ambulance tours defenders of Spain in the United States sought to shift the political discussion away from isolation of Spain's elected government and toward active assistance for the faltering Republic Examining the American political organizations affiliated with this relief effort and the political repression that resulted as many of Spain's supporters faced the early incarnations of McCarthyism's trials Smith provides new understanding of American politics during the crucial years leading up to World War II By also focusing on the impact the Spanish Civil War had on those of Spanish ethnicity in the United States Smith shows how close to home the seemingly distant war really hit **Against Immediate Evil** Andrew E. Johnstone, 2015-08-18 In **Against Immediate Evil** Andrew Johnstone tells the story of how internationalist Americans worked between 1938 and 1941 to convince the U S

government and the American public of the need to stem the rising global tide of fascist aggression As war approached the internationalist movement attempted to arouse the nation in order to defeat noninterventionism at home and fascism overseas Johnstone s examination of this movement undermines the common belief that the Japanese attack on Pearl Harbor wrenched an isolationist United States into global armed conflict and the struggle for international power Johnstone focuses on three organizations the American Committee for Non Participation in Japanese Aggression the Committee to Defend America by Aiding the Allies and Fight For Freedom that actively promoted a more global role for the United States based on a conception of the four freedoms later made famous by FDR The desire to be free from fear was seen in concerns regarding America s immediate national security The desire to be free from want was expressed in anxieties over the nation s future economic prosperity The need for freedom of speech was represented in concerns over the potential loss of political freedoms Finally the need for freedom of worship was seen in the emphasis on religious freedoms and broader fears about the future of Western civilization These groups and their supporters among the public and within the government characterized the growing global conflict as one between two distinct worlds and in doing so set the tone of American foreign policy for decades to come

Science, Democracy, and the American University Andrew Jewett, 2014-05-01 This book reinterprets the rise of the natural and social sciences as sources of political authority in modern America Andrew Jewett demonstrates the remarkable persistence of a belief that the scientific enterprise carried with it a set of ethical values capable of grounding a democratic culture a political function widely assigned to religion The book traces the shifting formulations of this belief from the creation of the research universities in the Civil War era to the early Cold War years It examines hundreds of leading scholars who viewed science not merely as a source of technical knowledge but also as a resource for fostering cultural change This vision generated surprisingly nuanced portraits of science in the years before the military industrial complex and has much to teach us today about the relationship between science and democracy

Making Sense of American Liberalism Jonathan Bell, Timothy Stanley, 2012-04-15 This collection of thoughtful and timely essays offers refreshing and intelligent new perspectives on postwar American liberalism Sophisticated yet accessible Making Sense of American Liberalism challenges popular myths about liberalism in the United States The volume presents the Democratic Party and liberal reform efforts such as civil rights feminism labor and environmentalism as a more united more radical force than has been depicted in scholarship and the media emphasizing the decline and disunity of the left Distinguished contributors assess the problems liberals have confronted in the twentieth century examine their strategies for reform and chart the successes and potential for future liberal reform Contributors are Anthony J Badger Jonathan Bell Elizabeth Cohen Susan Hartmann Ella Howard Bruce Miroff Nelson Lichtenstein Doug Rossinow Timothy Stanley and Timothy Thurber

The Cambridge History of the Second World War: Volume 2, Politics and Ideology Richard Bosworth, Joseph Maiolo, 2015-04-23 War is often described as an extension of politics by violent means With contributions

from twenty eight eminent historians Volume 2 of The Cambridge History of the Second World War examines the relationship between ideology and politics in the war s origins dynamics and consequences Part I examines the ideologies of the combatants and shows how the war can be understood as a struggle of words ideas and values with the rival powers expressing divergent claims to justice and controlling news from the front in order to sustain moral and influence international opinion Part II looks at politics from the perspective of pre war and wartime diplomacy as well as examining the way in which neutrals were treated and behaved The volume concludes by assessing the impact of states politics and ideology on the fate of individuals as occupied and liberated peoples collaborators and resisters and as British and French colonial subjects

The American Civil Liberties Union & the Making of Modern Liberalism, 1930-1960 Judy Kutulas,2006 Judy Kutulas traces the history of the ACLU between 1930 and 1960 as the organization shifted from the fringe to the liberal mainstream of American society from publisher description

Liberalism Versus Conservatism François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

It's Abstraction, Concretely John McGreal,2017-02-21 John McGreal s three new books *It s Abstraction Concretely* *It s Figuration Groundly* and *It s Representation Really* continue the *It Series* published by Matador since 2010 They constitute another stage in an artistic journey exploring the visual and audial dialectic of mark word and image that began over 25 years ago Emerging out of the first books on the Bibliograph published in 2016 initiated with *It s Nothing Seriously* these new texts retain some of the same structural features The Bibliographs contain the same focus on repetition and variation in meaning of their dominant motifs of representation abstraction and figuration which have framed philosophical discourse on epistemology and ontology in aesthetics their chance placement in each Bibliograph interspersed with one another displaying and enhancing similarities and differences At the same time these works constitute a development in the aesthetic form of the Bibliograph In earlier works on *Nothing* *Absence* and *Silence* it was just a question of finding and transferring given textual references from their source to construct their Bibliographs with the focus being on the strategic position of the latter within each book In these new works the concern has been with working on the line and shape of the references themselves with their enhanced spacial form as well as that of each Bibliograph as a whole In shaping and spacing the referential images the place of words and letters became as important as their semantic to read in a new way on diverse contemporary issues across conventional

boundaries in the arts and sciences at several levels of physical psychical and social reproduction

Delve into the emotional tapestry woven by Crafted by in Dive into the Emotion of **Noble Abstractions American Liberal Intellectuals And World War II** . Noble Abstractions American Liberal Intellectuals And World War Ii Introduction

Noble Abstractions American Liberal Intellectuals And World War Ii Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Noble Abstractions American Liberal Intellectuals And World War Ii Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Noble Abstractions American Liberal Intellectuals And World War Ii : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Noble Abstractions American Liberal Intellectuals And World War Ii : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Noble Abstractions American Liberal Intellectuals And World War Ii Offers a diverse range of free eBooks across various genres. Noble Abstractions American Liberal Intellectuals And World War Ii Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Noble Abstractions American Liberal Intellectuals And World War Ii Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Noble Abstractions American Liberal Intellectuals And World War Ii, especially related to Noble Abstractions American Liberal Intellectuals And World War Ii, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Noble Abstractions American Liberal Intellectuals And World War Ii, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Noble Abstractions American Liberal Intellectuals And World War Ii books or magazines might include. Look for these in online stores or libraries. Remember that while Noble Abstractions American Liberal Intellectuals And World War Ii, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Noble Abstractions American Liberal Intellectuals And World War Ii eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Noble Abstractions American Liberal Intellectuals And World War Ii full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Noble Abstractions American Liberal Intellectuals And World War Ii eBooks, including some popular titles.

FAQs About Noble Abstractions American Liberal Intellectuals And World War Ii Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Noble Abstractions American Liberal Intellectuals And World War Ii is one of the best book in our library for free trial. We provide copy of Noble Abstractions American Liberal Intellectuals And World War Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Noble Abstractions American Liberal Intellectuals And World War Ii. Where to download Noble Abstractions American Liberal Intellectuals And World War Ii online for free? Are you looking for Noble Abstractions American Liberal Intellectuals And World War Ii PDF? This is definitely going to save you time and cash in something you should think about.
