David d'Avray

Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 :

Noble Bondsmen John B. Freed, 2019-03-15 Freed documents the network of marriage practices among ministerials in the archdiocese of Salzburg and in the process reconstructs an important and previously unexplored chapter in the rise of the German principalities

Noble Bondsmen John B. Freed, 2019-03-15 Freed documents the network of marriage practices among ministerials in the archdiocese of Salzburg and in the process reconstructs an important and previously unexplored chapter in the rise of the German principalities

The Origins of the German Principalities, 1100-1350 Graham A. Loud, Jochen Schenk, 2017-07-06 The history of medieval Germany is still rarely studied in the English speaking world This collection of essays by distinguished German historians examines one of most important themes of German medieval history the development of the local principalities These became the dominant governmental institutions of the late medieval Reich whose nominal monarchs needed to work with the princes if they were to possess any effective authority Previous scholarship in English has tended to look at medieval Germany primarily in terms of the struggles and eventual decline of monarchical authority during the Salian and Staufer eras in other words at the failure of a centralised monarchy Today the federalised nature of late medieval and early modern Germany seems a more natural and understandable phenomenon than it did during previous eras when state building appeared to be the natural and inevitable process of historical development and any deviation from the path towards a centralised state seemed to be an aberration In addition by looking at the origins and consolidation of the principalities the book also brings an English audience into contact with the modern German tradition of regional history Landesgeschichte These path breaking essays open a vista into the richness and complexity of German medieval history

Noble Strategies Judith J. Hurwich, 2006-06-01 Through the colorful family histories and rich detail of the Zimmern Chronicle historian Judith Hurwich examines marriage family and sexuality among the early modern German nobility She uses the house chronicles of the Zimmern family and the families of the counts and barons with whom they intermarried to investigate marriage and nonmarital sexuality in the southwest German nobility in the late fifteenth and the sixteenth centuries Along with a deeper look at women's roles as wives mothers and concubines Noble Strategies shines a light on the intimate lives of the early modern German elite

Strong of Body, Brave and Noble Constance Brittain Bouchard, 1998 Medieval society was dominated by its knights and nobles The literature created in medieval Europe was primarily a literature of knightly deeds and the modern imagination has also been captured by these leaders and warriors This book explores the nature of the nobility focusing on France in the High Middle Ages 11th 13th centuries Constance Brittain Bouchard examines their families their relationships with peasants townspeople and clerics and the images of them fashioned in medieval literary texts She incorporates throughout a consideration of noble women and the nobility's attitude toward women Research in the last two generations has modified and expanded modern understanding of who knights and nobles were how they used authority war and law and what position they held within the broader society Even the concepts

of feudalism courtly love and chivalry once thought to be self evident aspects of medieval society have been seriously questioned Bouchard presents bold new interpretations of medieval literature as both reflecting and criticizing the role of the nobility and their behavior She offers the first synthesis of this scholarship in accessible form inviting general readers as well as students and professional scholars to a new understanding of aristocratic role and function **The Illuminated World**

Chronicle Nina Rowe,2020-11-24 A look into an enchanting underexplored genre of illustrated manuscripts that reveals new insights into urban life in the Middle Ages In this innovative study Nina Rowe examines a curious genre of illustrated book that gained popularity among the newly emergent middle class of late medieval cities These illuminated World Chronicles produced in the Bavarian and Austrian regions from around 1330 to 1430 were the popular histories of their day telling tales from the Bible ancient mythology and the lives of emperors in animated vernacular verse enhanced by dynamic images Rowe s appraisal of these understudied books presents a rich world of storytelling modes offering unprecedented insight into the non noble social strata in a transformative epoch Through a multidisciplinary approach Rowe also shows how illuminated World Chronicles challenge the commonly held view of the Middle Ages as socially stagnant and homogeneously pious Beautifully illustrated and backed by abundant and accessible analyses of social economic and political conditions this book highlights the engaging character of secular literature during the late medieval era and the relationship of illustrated books to a socially diverse and vibrant urban sphere **Princely Brothers and Sisters** Jonathan R. Lyon,2013-01-15 In Princely

Brothers and Sisters Jonathan R Lyon takes a fresh look at sibling networks and the role they played in shaping the practice of politics in the Middle Ages Focusing on nine of the most prominent aristocratic families in the German kingdom during the Staufien period 1138 1250 Lyon finds that noblemen and to a lesser extent noblewomen relied on the cooperation and support of their siblings as they sought to maintain or expand their power and influence within a competitive political environment Consequently sibling relationships proved crucial at key moments in shaping the political and territorial interests of many lords of the kingdom Family historians have largely overlooked brothers and sisters in the political life of medieval societies As Lyon points out however siblings are the contemporaries whose lives normally overlap the longest More so than parents and children husbands and wives or lords and vassals brothers and sisters have the potential to develop relationships that span entire lifetimes The longevity of some sibling bonds therefore created opportunities for noble brothers and sisters to collaborate in especially potent ways As Lyon shows cohesive networks of brothers and sisters proved remarkably effective at counterbalancing the authority of the Staufien kings and emperors Well written and impeccably researched Princely Brothers and Sisters is an important book not only for medieval German historians but also for the field of family history *Medieval*

Concepts of the Past Gerd Althoff,Johannes Fried,Patrick J. Geary,German Historical Institute (Washington, D.C.),2002-01-31 An analysis of medieval ritual history and memory in Germany and the United States Medieval Marriage David

d'Avray,2005-06-16 Medieval Marriage shows how marriage symbolism emerged from the world of texts to become a social

force affecting ordinary people Building on d Avray s Medieval Marriage Sermons it broadens the scope of the argument and works from a wide range of manuscript sources of different genres *The Holy Roman Empire* Brian A. Pavlac, Elizabeth S. Lott, 2019-06-01 Reference entries overview essays and primary source document excerpts survey the history and unveil the successes and failures of the longest lasting European empire The Holy Roman Empire endured for ten centuries This book surveys the history of the empire from the formation of a Frankish Kingdom in the sixth century through the efforts of Charlemagne to unify the West around A D 800 the conflicts between emperors and popes in the High Middle Ages and the Reformation and the Wars of Religion in the Early Modern period to the empire s collapse under Napoleonic rule A historical overview and timeline are followed by sections on government and politics organization and administration individuals groups and organizations key events the military objects and artifacts and key places Each of these topical sections begins with an overview essay which is followed by alphabetically arranged reference entries on significant topics The book includes a selection of primary source documents each of which is introduced by a contextualizing headnote and closes with a selected general bibliography

Negotiation and Resistance Constance Brittain Bouchard, 2022-12-15 In *Negotiation and Resistance* Constance Brittain Bouchard challenges familiar depictions of the peasantry as an undifferentiated mass of impoverished and powerless workers Peasants in eleventh and twelfth century France had far more scope for action self determination and resistance to oppressive treatment that is for agency than they are usually credited with having Through innovative readings of documents collected in medieval cartularies Bouchard finds that while peasants lived hard impoverished lives they were able to negotiate individually or collectively to better their position present cases in court and make their own decisions about such fundamental issues as inheritance or choice of marriage partner *Negotiation and Resistance* upends the received view of this period in French history as one in which lords dealt harshly and without opposition toward subservient peasants offering numerous examples of peasants standing up for themselves *Empress Adelheid and Countess Matilda* Penelope Nash, 2017-02-15 This book compares two successful elite women Empress Adelheid 931 999 and Countess Matilda 1046 1115 for their relative ability to retain their wealth and power in the midst of the profound social changes of the eleventh century The careers of the Ottonian queen and empress Adelheid and Countess Matilda of Tuscany reveal a growth of opportunities for women to access wealth and power These two women are analyzed under three categories their relationships with family and friends how they managed their property particularly land and how they ruled This analysis encourages a better understanding of gender relations in both the past and the present

Frederick Barbarossa John B. Freed, 2016-01-01 *The Fourth Italian Campaign* **Women as Scribes** Alison I. Beach, 2004-04-29 Professor Beach s book on female scribes in twelfth century Bavaria a full length study of the role of women copyists in the Middle Ages is underpinned by the notion that the scriptorium was central to the intellectual revival of the Middle Ages and that women played a role in this renaissance The author examines the exceptional quantity of evidence

of female scribal activity in three different religious communities pointing out the various ways in which the women worked alone with other women and even alongside men to produce books for monastic libraries and discussing why their work should have been made visible whereas that of other female scribes remains invisible Beach's focus on manuscript production and the religious intellectual social and economic factors which shaped that production enables her to draw wide ranging conclusions of interest not only to palaeographers but also to those interested in reading literacy religion and gender history

Monastic experience in twelfth-century Germany, 2020-04-20 Monastic experience in twelfth century Germany provides a rare window on to monastery life in the tumultuous world of twelfth century Swabia From its founding in 992 through the great fire that ravaged it in 1159 and beyond Petershausen weathered countless external attacks and internal divisions Supra regional clashes between emperors and popes played out at the most local level Monks struggled against overreaching bishops Reformers introduced new and unfamiliar customs Tensions erupted into violence within the community Through it all the anonymous chronicler struggled to find meaning amid conflict and forge connections to a shared past enlivening his narrative with colorful anecdotes sometimes amusing sometimes disturbing Translated into English for the first time this fascinating text is an essential source for the lived experience of medieval monasticism

Political Culture in the Latin West, Byzantium and the Islamic World, c.700-c.1500 Catherine Holmes, Jonathan Shepard, Jo van Steenberg, Björn Weiler, 2021-08-26 This comparative study explores three key cultural and political spheres the Latin west Byzantium and the Islamic world from Central Asia to the Atlantic roughly from the emergence of Islam to the fall of Constantinople These spheres drew on a shared pool of late antique Mediterranean culture philosophy and science and they had monotheism and historical antecedents in common Yet where exactly political and spiritual power lay and how it was exercised differed This book focuses on power dynamics and resource allocation among ruling elites the legitimisation of power and property with the aid of religion and on rulers interactions with local elites and societies Offering the reader route maps towards navigating each sphere and grasping the fundamentals of its political culture this set of parallel studies offers a timely and much needed framework for comparing the societies surrounding the medieval Mediterranean

Crusades Benjamin Kedar, Jonathan Phillips, 2019-01-30 Crusades covers seven hundred years from the First Crusade 1095 1102 to the fall of Malta 1798 and draws together scholars working on theatres of war their home fronts and settlements from the Baltic to Africa and from Spain to the Near East and on theology law literature art numismatics and economic social political and military history Routledge publishes this journal for The Society for the Study of the Crusades and the Latin East Particular attention is given to the publication of historical sources in all relevant languages narrative homiletic and documentary in trustworthy editions but studies and interpretative essays are welcomed too Crusades also incorporates the Society's Bulletin The editors are Benjamin Z Kedar Hebrew University Israel Jonathan Phillips Royal Holloway University of London UK Nikolaos G Chrissis Democritus University of Thrace Greece

Medieval Chivalry

Richard W. Kaeuper, 2016-05-19 Emerging in the medieval period chivalry embodied ideals that elite warriors cherished and practices that formed their profession In this major new overview Richard Kaeuper examines how chivalry made sense of violence and war making it tolerable for elite fighters rather than non knightly or sub knightly populations He discusses how chivalry buttressed status and profession shaped active piety and fostered intense warrior attachments and heterosexual relationships Though showing regional and chronological variations chivalry at its core enshrined the practice of prowess in securing honor with this process significantly blessed by religion Both kingship and church authority sought to direct the great force of chivalry and despite tensions finally came to terms with rising knightly status and a burgeoning military role Kaeuper engages with a wide range of evidence in his analysis drawing on the chivalric literature manuscript illumination and sermon exempla and moral tales

Married Life in the Middle Ages, 900-1300 Elisabeth van Houts, 2019-02-06 Married Life in the Middle Ages 900 1300 contains an analysis of the experience of married life by men and women in Christian medieval Europe c 900 1300 The study focusses on the social and emotional life of the married couple rather than on the institutional history of marriage breaking it into three parts Getting Married the process of getting married and wedding celebrations Married Life the married life of lay couples and clergy their sexuality and any remarriage and Alternative Living which explores concubinage and polygyny as well as the single life in contrast to monogamous sexual unions In this volume van Houts deals with four central themes First the tension between patriarchal family strategies and the individual family member s freedom of choice to marry and if so to what partner second the role played by the married priesthood in their quest to have individual agency and self determination accepted in their own lives in the face of the growing imposition of clerical celibacy third the role played by women in helping society accept some degree of gender equality and self determination to marry and in shaping the norms for married life incorporating these principles fourth the role played by emotion in the establishment of marriage and in married life at a time when sexual and spiritual love feature prominently in medieval literature

Aristocratic Women in Medieval France Theodore Evergates, 2010-08-03 Were aristocratic women in medieval France little more than appendages to patrilineal families valued as objects of exchange and necessary only for the production of male heirs Such was the view proposed by the great French historian Georges Duby more than three decades ago and still widely accepted In Aristocratic Women in Medieval France another model is put forth women of the landholding elite from countesses down to the wives of ordinary knights had considerable rights and exercised surprising power The authors of the volume offer five case studies of women from the mid eleventh through the thirteenth centuries and from regions as diverse as Blois Chartres Champagne Flanders and Occitania They show not only the diversity of life experiences these women enjoyed but the range of social and political roles open to them The ecclesiastical and secular sources they mine confirm that women were regarded as full members of both their natal and affinal families were never excluded from inheriting and controlling property and did not have their share of family property limited to dowries Women

across France exchanged oaths for fiefs and assumed responsibilities for enfeoffed knights As feudal lords they settled disputes involving vassals fortified castles and even led troops into battle Aristocratic Women in Medieval France clearly shows that it is no longer possible to depict well born women as powerless in medieval society Demonstrating the importance of aristocratic women in a period during which they have been too long assumed to have lacked influence it forces us to reframe our understanding of the high Middle Ages

If you ally habit such a referred **Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100** ebook that will present you worth, acquire the unquestionably best seller from us currently from several preferred authors. Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 has opened up a world of possibilities. Downloading Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Noble Bondsmen Ministerial Marriages In The Archdiocese Of Salzburg 1100 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
