Noble Rot A Bordeaux Wine Revolution:

Noble Rot William Echikson, 2005-10 Echikson's understanding and explanation of how the business works is fascinating and easy to swallow Michael Philips Wall Street Journal **The House of Mondavi** Julia Flynn Siler, 2007-06-19 An epic scandal plagued story of the immigrant family that built and then spectacularly lost a global wine empire Set in California's lush Napa Valley and spanning four generations of a talented and visionary family The House of Mondavi is a tale of genius sibling rivalry and betrayal From 1906 when Italian immigrant Cesare Mondavi passed through Ellis Island to the Robert Mondavi Corp's twenty first century battle over a billion dollar fortune award winning journalist Julia Flynn brings to life both the place and the people in this riveting family drama The blood feuds are as spectacular as the business triumphs Cesare's sons Robert and Peter literally came to blows in the 1960s during a dispute touched off by the purchase of a mink coat resulting in Robert's exile from the family and his subsequent founding of a winery that would set off a revolution in American winemaking Robert's sons Michael and Timothy as passionate in their own ways as their visionary father waged battle with each other for control of the company before Michael's expansive ambitions ultimately led to a board coup and the sale of the business to an international conglomerate A meticulously reported narrative based on thousands of hours of interviews The House of Mondavi is bound to become a classic Wine Revolution Jane Anson, 2017-10-26 Wine Revolution written by award winning wine expert Jane Anson contains everything you need to know about the best handcrafted wines from around the world Organic biodynamic natural and other small batch and eco friendly wines have become increasingly popular in recent years and are a key area of growth in the wine market This book explores what makes these wines different how they are produced and why they are enjoying such a boom Featuring 250 tasting notes of wines from every corner of the world as well as grower profiles and recommendations from some of the best sommeliers from around the world Wine Revolution is the go to guide on the subject There are more than 450 biodynamic wine producers worldwide including top estates Wine estates that grow biodynamic wines include many high end commercially successful producers who have converted to organic and biodynamic practices This book aims to capitalise on this fast growing market and to be the most important and critically respected book on the subject There will be five sections in the book each one introduced by a sommelier who will talk about general rules for matching wine with food making it approachable and actionable for readers

Complete Bordeaux Stephen Brook, 2022-09-29 The wines of Bordeaux are universally recognized as being among the finest in the world and in this fully revised and updated edition of his classic text renowned wine expert Stephen Brook provides an unrivalled survey of the region and its wines The Complete Bordeaux offers detailed information on the many communes and appellations of Bordeaux along with descriptions and assessments of all its major properties As well as incisive portraits of the leading properties and their produce Stephen Brook provides a detailed look at Bordeaux's lesser known areas and chateaux There is also an invaluable vintage guide to the last four decades Bordeaux encapsulates an

incredible 13 000 wineries throughout 54 appellations and this book includes a thorough explanation of Bordeaux's history, terroir and winemaking styles. Praise for the third edition: A fresh and authoritative addition to the Bordeaux library. Eric Asimov, The New York Times. This new edition is the ultimate guide to perhaps the greatest wine area in the world. Whether you use the book in your local wine store or tote it on a journey to Bordeaux itself, this book is definitive. And magnificent. Huffington Post. **The Oxford Companion to Wine** Julia Harding MW, Jancis Robinson OBE MW, Tara Q.

Thomas, 2023-08-15 Everything you could possibly want to know about wine in one fully up to date A-Z volume. The Oxford Companion to Wine is a uniquely comprehensive and in depth A-Z reference book on every aspect of wine: more than 4 000 entries covering topics from history through geography, geology, soil science, viticulture, winemaking, packaging, academia, technology and regulations to people and places, tasting, writing and the language of wine. The system of cross references takes the reader from one entry to another, showing how all these topics are interconnected in the fascinating story of wine in its most traditional and modern forms. This new fifth edition, which benefits from the knowledge and experience of over one hundred new contributors, all experts in their field or geographical region, is expanded by 272 new entries and every existing entry has been reviewed, updated and polished. The text is more international than ever, written for wine lovers of every persuasion, including those who love wine but want to know more in order to increase their enjoyment of this endlessly fascinating liquid, and those who are intent on studying wine professionally or privately. This is a huge treasure trove of knowledge for the first time, breaking the barrier of one million words, but the alphabetical format and the links between the entries make it easily navigable, and the language, while not shying away from complex science, is intended to open the door to every curious reader looking for answers on every question they have ever wanted to ask about wine. *The Vineyard at the End of the World* Ian Mount, 2013-02-04 A definite must read for Malbec drinkers everywhere. Lettie Teague, WSJ.com. As wine connoisseurs know, Argentine wine was once famously bad. The grapes were overwatered, harvested in brutal heat, fermented in enormous cement pools, aged in antiquated oak vats, and then watered down and adulterated. The final product was industrial plonk, drinkable only on ice. But in 2001, a Cabernet Sauvignon-Malbec blend beat Napa and Bordeaux's finest in a blind taste test. Suddenly, Argentina emerged as a premier wine region with a champion varietal. What best-selling author Benjamin Wallace calls the humble Malbec, how did this happen? Ian Mount's vivid journey through Argentina's Wild West explores the alchemy of weather, soil, and viticulture techniques that on rare occasions produce a legendary bottle of wine. He also investigates the dynamics of taste, status, and money that turned Malbec into a worldwide phenomenon. Profiling the larger-than-life figures who fueled the Malbec revolution, including celebrity oenologist Michel Rolland, acclaimed American winemaker Paul Hobbs, and the Mondavi-esque Catena family, Mount describes in colorful detail the brilliant innovations and backroom politics that put Malbec on the map. Set against the breathtaking backdrop of the snow-capped Andes and Mendoza's sweeping plains, *The Vineyard at the End of the World* tells the fascinating four-hundred-year story of how a wine mecca

arose in the Argentine desert It is at once a sumptuous travel narrative a riveting history of a fascinating region and an intriguing business story in which a small group of passionate vintners remade their world *The Oxford Handbook of Creative Industries* Candace Jones,Mark Lorenzen,Jonathan Sapsed,2015-07-23 The Oxford Handbook of Creative Industries is a reference work bringing together many of the world s leading scholars in the application of creativity in economics business and management law policy studies organization studies and psychology Creative industries research has become a regular theme in academic journals and conferences across these subjects and is also an important agenda for governments throughout the world while business people from established companies and entrepreneurs reevaluate and innovate their models in creative industries The Handbook is organized into four parts Following the editors introduction Part One on Creativity includes individual creativity and how this scales up to teams social networks cities and labour markets Part Two addresses Generating and Appropriating Value from Creativity as achieved by agents and organizations such as entrepreneurs stars and markets for symbolic goods and considers how performance is measured in the creative industries Part Three covers the mechanics of Managing and Organizing Creative Industries with chapters on the role of brokerage and mediation in creative industry networks disintermediation and glocalisation due to digital technology the management of project based organizations in creative industries organizing events in creative fields project ecologies Global Production Networks genres and classification and sunk costs and dynamics of creative industries Part Four on Creative Industries Culture and the Economy offers chapters on cultural change and entrepreneurship on development on copyright economic spillovers and government policy This authoritative collection is the most comprehensive source of the state of knowledge in the increasingly important field of creative industries research Covering emerging economies and new technologies it will be of interest to scholars and students of the arts business innovation and policy **The Little Red Book of Wine Law** Carol Robertson,2008 Takes a look at how the world of wine vineyards and wine drinking has intersected with the law Modeled after a case of wine this book contains 12 chapters each examining a specific topic It can broaden one s appreciation of the wine industry and may be a welcome addition to a wine enthusiast or lawyers library Wine and Society Steve Charters,2006-08-11 Wine is becoming increasingly popular in the Anglophone world and there are many books available which describe how and where it is made However none address the fundamental questions of different structures of production and how the consumer relates to the product this book is the first to do just that Wine and Society the cultural and social context of wine production and consumption looks at the relationship between wine production and marketing focussing in consumer behaviour and cultural attitudes Divided into four parts it examines the context of wine production the wine consumer and the social context of wine discussing the following themes That the core of wine production and consumption is shaped by historical geographical and cultural factors Wine production European and new world looking at the different kinds of producer and how the varying background of each shapes their perspective on what they produce
