With One Fool Left in the World, No One is Stranded Frances Garrett Connell, 2014 This book charts the life of two young American teachers immersed in an Afghan village and later in Kabul from 1973 1976 before the onset of decades of conflict In this turn back to the memories coded and buried in those years and in the flashes to more recent events and reflections the book portrays stories scenes people and realities long lost In the minute particulars and in the large political and cultural strokes which made up that complex country of hospitable people who shaped the writer s life in unpredictable ways one finds the seeds which grew to shape a country a region an endless war and which now impact a new millennium *THUS SPOKE ZARATHUSTRA - A Book for All and None (World Classics Series)* Friedrich Nietzsche, 2024-01-13 In *Thus Spoke Zarathustra* A Book for All and None Friedrich Nietzsche presents a philosophical narrative that intertwines poetic language with profound existential inquiry Written in a unique literary style that blurs the lines between prose and poetry the text invites readers into the mind of Zarathustra a prophet who espouses radical ideas about morality individuality and the concept of the *bermensch* Overman This work emerged during the late 19th century a time marked by intellectual upheaval as Nietzsche sought to challenge traditional values and invite a reevaluation of the human condition in a post religious world Friedrich Nietzsche 1844 1900 was a German philosopher cultural critic and poet whose thoughts have profoundly influenced Western philosophy His background in classical studies and his radical departure from established moral frameworks led him to craft this enigmatic narrative often viewed as a culmination of his mature thought Nietzsche s struggles with health and his ultimate descent into madness further colored his explorations of power will and the often painful quest for authenticity and meaning Readers fascinated by the interplay of philosophy and literature will find *Thus Spoke Zarathustra* both challenging and enlightening Nietzsche s call to transcend societal norms and embrace the complexities of existence resonates deeply making this text essential for anyone seeking to explore the depths of human thought and potential **Jessica** Jeffrey Von Glahn, 2014-03-05 Jessica had always been haunted by the fear that the unthinkable had happened when she had been made up For as far back as she could remember she had no sense of a Self Her mother thought of her as the perfect infant because she never wanted anything and she never needed anything As a child just thinking of saying I need or I want left her feeling like an empty shell and that her mind was about to spin out of control Terrified of who or what she was she lived in constant dread over being found guilty of impersonating a human being Jeffrey Von Glahn Ph D an experienced therapist with an unshakable belief in the healing powers of the human spirit and Jessica blaze a trail into this unexplored territory As if she has in fact become an infant again Jessica remembers in extraordinary detail events from the earliest days of her life events that threatened to twist her embryonic humanness from its natural course of development Her recollections are like listening to an infant who could talk describe every psychologically dramatic moment of its life as it was happening When Dr Von Glahn met Jessica she was 23 Everyone

regarded her as a responsible caring person except that she never drove and she stayed at her mother's when her husband worked nights. For many months Jessica's therapy was stuck in an impasse. Dr Von Glahn had absolutely no idea that she was so terrified over simply talking about herself. In hopes of breakthrough she boldly asked for four hours of therapy a day for three days a week for six weeks. The mystery that was Jessica cracked open in dramatic fashion and in a way that Dr Von Glahn could never have imagined. Then she asked for four days a week and for however long it took. In the following months her electrifying journey into her mystifying past brought her ever closer to a final confrontation with the events that had threatened to forever strip her of her basic humanness. Fifty World's Greatest Short Stories Various Author, 2021-07-20

Dating back to the early traditions of oral storytelling the short story has evolved through the ages from myths legends fairy tales fables parables stories in the Ramayana and Mahabharata tales in the Panchatantra the adventure tales of the Odyssey biblical stories the Norse sagas and many others. As the oriental tale and Gothic novel gained popularity in the latter half of the eighteenth century short story began developing in Britain. And by the beginning of nineteenth century it had highly evolved as a form. This anthology is a compilation of some of the classic short stories of the eighteenth and early nineteenth century from around the world. Beginning with the realistic stories of Pushkin and Chekov it includes *The Necklace* by Guy de Maupassant *Eve's Diary* by Mark Twain *The Slapping Sal* by Arthur Conan Doyle *The Fly* by Katherine Mansfield *A Little Cloud* by James Joyce *White Nights* by Fyodor Dostoevsky *The Postmaster* by Rabindranath Tagore and *The Gift of Magi* by O Henry. Short stories are tiny windows into other worlds and other minds and other dreams. They are journeys you can make to the far side of the universe and still be back in time for dinner. Neil Gaiman. What shall I write said Yegor and he dipped his pen in the ink. Anton Chekov. At Christmas Time There was a woman who was beautiful who started with all the advantages yet she had no luck. D H Lawrence. *The Rocking Horse Winner*. **Over the Lip of the World** Colleen J. McElroy, 2015-07-21

In this book Michael Green opens up the gripping story of Acts highlighting the volcanic eruption of faith described there and contrasting it with the often halfhearted Christianity of the modern Western world. Green explores the life and faith of the Christians of Acts answering such questions as What kind of people were they? How did they live? And how did they organize and practice as members of the new church? Besides describing life in the early church Green discusses
