Nobody Road:

Nobody's Road, 2022-01-19 n 2045 America is ruled by The Brain It s a country of dried up rivers computer project educations holographs and robots Most species have died off and even fresh air is scarce Children don t form bonds and therefore can t love They become drones dangerous killers The answer lies on a road in Pindar Corners but to find it is to risk the loss of your soul In need of a hero Harry Erin Cooper steps up to the plate and along with his wife Adina they restore what should have been

Nobody's Home Scott Kennedy, 2024-03-15 The scourge of the monster house affects communities all across Canada so while the Toronto neighbourhood of York Mills is not unique in this respect it has suffered more than most owing to the generous size of its residential lots in what has now become the centre of the city York Mills was still a rural community until after the Second World War when a post war population boom created a housing boom that gobbled up the local woods and farmland By 1960 most of this land had been sacrificed for housing and by the mid 1970s it was all gone Then a strange thing began to happen Developers who had the money to outbid legitimate home buyers started tearing down perfectly liveable post war homes to build monster houses Today over fifty years later this destructive practice continues The environmental costs have been devastating as affordable houses are demolished their remains dumped in landfills and mature trees are cut down to facilitate the new construction construction that demands copious amounts of wood cement and other new building materials The social cost has been equally damaging as affordable homes are destroyed and replaced by multi million dollar houses that are out of reach of families who once called these neighbourhoods home The three hundred colour photos in this book recall but a fraction of the homes we have lost in this one community alone The text tells their stories stories that take us back to a time when houses were places to live not get rich quick schemes

Nobody's Home Arnold Weinstein, 1993-03-11 Nobody s Home is a bold view of the American novel from its beginnings to the contemporary scene Focusing on some of the deepest instincts of American life and culture individual liberty freedom of speech constructing a life Arnold Weinstein brilliantly sketches the remarkable career of the American self in some of the major works of the past one hundred fifty years Weinstein contends that American writers are haunted by the twin specters of the self as a mirage as Nobody and by the brutal forces of culture and ideology that deny selfhood to people on the basis of money sex and color of skin His central thesis is that language makes possible freedoms and accomplishments that are achievable in no other realm and that American fiction is a fascinating record of the human fight against coercion of the kinds of maneuvering room that we may find in life and in art This study is unique in several respects it offers some of the keenest readings of major American texts that have ever been written including some of the most significant works of the past decades and it fashions a rich and supple view of the American novel as a writerly form of freedom in sharp contrast to today s critical emphasis on blindness and co option

Nobody's Son Mark Slouka, 2016-10-18 I have never before read anything except Nabokov s Speak Memory that so relentlessly and shrewdly exhausted the kindness and cruelty of

recollection s shaping devices Geoffrey Wolff Born in Czechoslovakia Mark Slouka s parents survived the Nazis only to have to escape the Communist purges after the war Smuggled out of their own country the newlyweds joined a tide of refugees moving from Innsbruck to Sydney to New York dragging with them a history of blood and betrayal that their son would be born into From World War I to the present Slouka pieces together a remarkable story of refugees and war displacement and denial admitting into evidence memories dreams stories the lies we inherit and the lies we tell in an attempt to reach his mother the enigmatic figure at the center of the labyrinth Her story the revelation of her life long burden and the forty year love affair that might have saved her shows the way out of the maze **Nobody's Kingdom** T.J.
