Nobody's Perfect Anthony Lane, 2009-08-19 Anthony Lane on Con Air Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load Big deal You should try the lunches they serve out of Newark Compared with the chicken napalm I ate on my last flight the men in Con Air are about as dangerous as balloons Anthony Lane on *The Bridges of Madison County* I got my copy at the airport behind a guy who was buying Playboy's Book of Lingerie and I think he had the better deal He certainly looked happy with his purchase whereas I had to ask for a paper bag Anthony Lane on Martha Stewart Super skilled free of fear the last word in human efficiency Martha Stewart is the woman who convinced a million Americans that they have the time the means the right and damn it the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go For ten years Anthony Lane has delighted New Yorker readers with his film reviews book reviews and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton *Nobody's Perfect* is an unforgettable collection of Lane's trademark wit satire and insight that will satisfy both the long addicted and the not so familiar

Nobody's Nation Paul Breslin, 2009-02-15 *Nobody's Nation* offers an illuminating look at the St Lucian Nobel Prize winning writer Derek Walcott and grounds his work firmly in the context of West Indian history Paul Breslin argues that Walcott's poems and plays are bound up with an effort to re imagine West Indian society since its emergence from colonial rule its ill fated attempt at political unity and its subsequent dispersal into tiny nation states According to Breslin Walcott's work is centrally concerned with the West Indies imputed absence from history and lack of cohesive national identity or cultural tradition Walcott sees this lack not as impoverishment but as an open space for creation In his poems and plays West Indian history becomes a realm of necessity something to be confronted contested and remade through literature What is most vexed and inspired in Walcott's work can be traced to this quixotic struggle Linking extensive archival research and new interviews with Walcott himself to detailed critical readings of major works *Nobody's Nation* will take its place as the definitive study of the poet

Agyeman,2003-03-16 **A Big Elephant Has Been Killed** is a deeply moving and gripping narrative that interweaves stories of ordinary friendships and love's lost promises with a discussion of society and politics in contemporary Ghana. Although Ghana provides the setting, the novel foregrounds a range of issues relevant to Africa and the black Diaspora as a whole. Badly disillusioned from their years of youthful idealism, a group of friends clings with fleeting solace to their vision for their country through their discussions on poverty, pan-Africanism, underdevelopment, religious identity, social revolution, and Africa's relationship with the West. But the challenges of their daily existence compel them to question the ethics and relevance of their idealism and eventually lead to the desperate decision to steal from the Big Elephant in the penultimate gamble to empower themselves as agents of social transformation.
