Showboat showing the likes of Thora Hird rehearsing in Manchester in 1956 as well as a feature on Holiday Town Parade A few Sunday Breaks exist Sadly I could find nothing from programmes such as Bid For Fame Top Numbers After Hours and many more great shows Writing this book really struck me how viewing habits have changed over the decades Television was on just two channels Daytime shows were rare and television ended before midnight Televisions were expensive Shows tended to be on at exactly the same time each week to build up audience figures But some things never change Even back then some people moaned at the quality of the shows and were fed up of seeing the same stars week in week out Hopefully you will gain more pleasure reading the book than those killjoys Enid Blyton: The Biography Barbara Stoney,2011-08-26 Enid Blyton is known throughout the world for her imaginative childrens books and her enduring characters such as Noddy and the Famous Five She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even members of her own family The woman who emerged from Barbara Stoney s remarkable research was hardworking complex often difficult and in many ways childlike Now this widely praised classic biography has been fully updated for the twenty first century and with the addition of new colour illustration and an extended bibliography of Enid Blyton s books it documents the growing appeal of this extraordinary woman and her writing The fascinating story of one of the world s most famous authors will once again intrigue and delight all those with an interest in her timeless books **I Know My ABC's** Abby Fukuto,Jay Fukuto,2014-07-01 The I Know My series of preschool books is designed to support young children as they learn about the alphabet numbers food tools holidays and more Crisp art whimsical characters and a collaborative adventure keep children engaged highlighted by voiceover narration music and sound effects Perfect for the youngest children this enhanced ebook presents the ABCs through rhyming couplets and charming characters **Games & Toys** ,1961 Noddy's ABC Enid Blyton,1968 *The Whole Story* John E.
